Initial setup of Okta Multifactor Authentication (MFA)

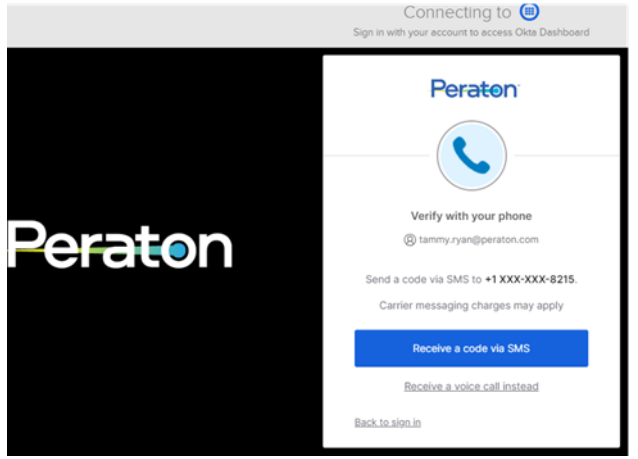

1. On your first attempt logging into the Okta system, enter your User Name and Password, then click Sign In
2. You will then be prompted to select your primary method for Multifactor Authentication (MFA) out of the options available for you.

You need to set up a secondary method and a Security question.

Optional forms of MFA:

- Okta Verify: You can install the Okta Verify application on your Smartphone
- Google Authenticator: a mobile app like Okta Verify
- Phone: Short message service (SMS) Authentication or Voice Call Authentication

3. Follow the setup instructions for the methods you select.

Note: Peraton is not responsible for charges for use of personal device.

Already have an Okta account? The Deltek tile **will** be added to your Okta portal

Create Missing Timesheet (if needed)

If a timesheet for a given week was not accessed/created by Friday of that week, it has Status of Missing. As a result, it is not searchable using the directional arrows in the Timesheet section toolbar. The Missing timesheet needs to be recreated manually.

- Manually create a Missing timesheet by navigating Time & Expense > Time > Timesheets > Timesheet
  - This opens your current week's timesheet
- Click New from the Timesheet section toolbar
  - This creates a new blank timesheet. Employee (name) and ID auto-populate
- Select the calendar icon in the Period Ending field
- Select the Friday for the period of the missing timesheet

Automated Reconciliation "Burst" Reports

Weekly reconciliation reports can be sent to the Supplier. These include:

- Pending expenses (if any)
- Timesheet detail (all statuses from open through processed) – 6 week rolling window
- Vendor voucher (summary) – Voucher status and payment date with check number, includes all vouchers: manual, expense and labor
- Vendor voucher subcontract detail: Voucher status for labor (timesheets) by project, week, individual, hours, amount and calculated rate

- These reports should be used to verify hours submitted for project vouchering match supplier timekeeping system and that the rates charges are the rates agreed upon in the contracts
- Timesheet corrections will appear in the voucher reports as a summary amount of the change under the same week ending date (but not the same process date)
- These reports can be sent to only 1 email address. This address is listed in Ivalua under the Remittance Email. Supplier can update this in Ivalua by clicking the Request Information Change, then clicking the Shopping Cart Icon to make the Remittance Email update.

Supplier can work with their Peraton Subcontracts Administrator (SCA) to assist with any issues setting up the reports.
