**THE NEW PERATON IS** **FEARLESS.**  
**AGILE.**  
**SCALABLE.**  
**INTERCONNECTED.**

The complexity and velocity of challenges facing our customers is increasing. But this doesn't deter us – it inspires us. We are unafraid of the impossible.

**THE NEW PERATON IS**

**FEARLESS.  
AGILE.  
SCALABLE.  
INTERCONNECTED.**

We won't settle for the way things have always been done. Today's interconnected world requires the ability to pivot quickly and adapt even faster.

**THE NEW PERATON IS**

**FEARLESS.  
AGILE.  
SCALABLE.  
INTERCONNECTED.**

We haven't scaled for the sake of size, but for the expansion of knowledge and the deepening of capabilities. In doing so we have strengthened our ability to deliver the decision advantage and mission success.

**THE NEW PERATON IS**

**FEARLESS.  
AGILE.  
SCALABLE.  
INTERCONNECTED.**

We have brought together the most sought-after experts whose ideas connect to ensure mission success and leave nothing to chance.

# WE'RE DOING WHAT MATTERS MOST.

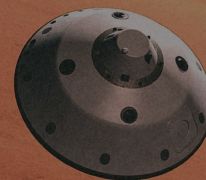

## MISSIONS OF CONSEQUENCE

The missions that **MUST** be done. Around the globe and to the deep expanses of space, we provide leadership on the missions that others aspire to participate in. We're 22,000 people ready to **DO THE CAN'T BE DONE.**

# SPACE

We protect critical space assets
