2.2 Renewal. Renewal Terms, if any, and whether the Services are automatically renewed, will be listed in the applicable Service Order. Customer must provide notice of non-renewal at least thirty (30) calendar days prior to the end of the current Service Order Term. If, upon renewal, Customer reduces its license count, quantity, or minimum commitment, Peraton reserves the right to adjust or remove any discounts previously offered to Customer.

2.3 Usage-based Services. If Customer purchases Services based on usage, Customer acknowledges that Peraton will charge Customer Fees for the Services based on the usage calculated by Peraton.

3. Provision.

3.1 General. Customer must access and use the Services in accordance with the Agreement. Peraton may, upon reasonable notice, audit Customer's use of the Services to verify compliance with this Agreement.

3.2 Use. Peraton grants Customer a non-exclusive right to access and use the Services during the Term.

3.3 Modifications. Peraton may from time to time implement updates, enhancements, or modifications to the Services. Peraton will use commercially reasonable efforts to coordinate with Customer and minimize any material interruptions to the Services arising from such updates. In the event of a planned update that is reasonably expected to cause a material service interruption, Peraton will provide advance notice to Customer where practicable and work with Customer in good faith to reduce the duration and impact of such interruption.

4. Customer Obligations.

4.1 Customer Account. Customer may be provided a primary account to access and administer the Services (“Customer Account”). Customer must provide accurate and current Account information. Customer will not share Customer Account access credentials or individual End User login credentials between multiple End Users. Customer may not resell or lease access to their Account or any End User Account. Customer will immediately notify Peraton if it becomes aware of unauthorized access to the Account or the Services.

4.2 End Users. End User Accounts may only be provisioned to, registered for, and used by, a single End User. Customer is responsible for all activities that occur under their Account, including the

activities of End Users with an End User Account. Customer will obtain and maintain from End Users any consents necessary to allow Peraton to deliver the Services.

4.3. Restrictions. Customer will not, and will not permit End Users to: (a) use the Services in a way that violates applicable laws, any applicable Peraton terms and conditions, or any applicable Third-Party Service Terms; (b) use the Services in a way that violates third parties' rights; (c) allow minors to use the Services; (d) Reverse Engineer any aspect of the Services or the systems used to provide the Services; (e) use Output to develop artificial intelligence models that compete with Peraton IRIS's products, capabilities, features, and services; (f) extract data from the Services other than as permitted through the Services; (g) interfere with or disrupt the Services, including attempting to circumvent any rate limits or restrictions or bypass any protective measures or safety mitigations for the Services; or (h) violate or circumvent Usage Limits or otherwise configure the Services to avoid Usage Limits.

4.4. Third-Party Services. Third-Party Services may be available through the Services, which Customer may elect to use in its sole discretion. By accessing a Third-Party Service, Customer agrees to the applicable Third-Party Service Terms. Customer's access or use of Third-Party Services is governed by this Agreement and the relevant Third-Party Service Terms. In the event of any conflict or inconsistency, the terms of this Agreement shall control.

4.5. Third-Party and Open-Source Software. Customer acknowledges that Peraton may use or make available open-source software ("Open-Source Software") in connection with providing the Services. To the extent required by the applicable license, Peraton will make the relevant license terms, notices, and source code available to Customer. Nothing in this Agreement restricts Customer's rights or expands Customer's obligations beyond those set forth in the applicable license terms. Except as expressly required by such license terms, all Open-Source Software is provided "as is," and Peraton makes no, and expressly disclaims all, warranties, indemnities, or other obligations with respect to such Open-Source Software.

5. Customer Content.

5.1. Generally. Customer and End Users may provide Input and receive Output. As between Customer and Peraton, to the extent permitted by applicable law, Customer: (a) retains all ownership rights in Input; and (b) owns all Output. Peraton hereby assigns to Customer all Peraton's rights, title, and interest, if any, in and to Output.

5.2. Peraton Obligations. Peraton will only use

Customer Content and Input as necessary to provide Customer with the Services, comply with applicable law, enforce Peraton Documentation, and prevent abuse.

5.3. Customer Obligations - Input. Customer is responsible for all Input and represents and warrants that it has all rights, licenses, and permissions required to provide Input to the Services. Customer agrees not to submit Input that either violates third-party rights or applicable law, includes Prohibited Data as set forth at Section 6.2 of this Agreement, or is intended or would reasonably be expected to generate Output that does so. Peraton disclaims all liability arising from Input submitted by Customer in violation of this Section.

5.4. Customer Obligations – Output. Customer is solely responsible for the use of all Output and for evaluating the accuracy and appropriateness of Output for Customer's use case(s). Customer acknowledges that artificial intelligence and machine learning technologies, as used by IRIS, are probabilistic and may generate incorrect, inaccurate, or incomplete Output. Peraton makes no representation or warranty as to the accuracy, completeness, or reliability of any Output, or that Output does not violate third-party rights or applicable laws. Peraton disclaims all liability for any use of or reliance by Customer on Output.

5.5. Similarity of Output. Due to the nature of the Services and artificial intelligence generally, Output may not be unique or exclusive to Customer and End Users. Responses that are requested by and generated by other users are not considered Customer's Output.

6. Security and Privacy.

6.1. Security Measures. During the Term, Peraton will implement and maintain the Security Measures, as documented in Exhibit B. Customer agrees to comply with the Security Measures as necessary. Peraton may periodically update the Security Measures and will use commercially reasonable efforts to coordinate with Customer and minimize any material interruptions to the Services arising from such updates to the Security Measures. In the event of a planned update that is reasonably expected to cause a material service interruption, Peraton will provide advance notice to Customer where practicable and work with Customer in good faith to reduce the duration and impact of such interruption.

6.2. Prohibited Data. Customer shall not provide or submit as Input any export-controlled information (including data or technology subject to the Export Administration Regulations ("EAR") or the International Traffic in Arms Regulations ("ITAR")), Controlled Unclassified Information (CUI), personally identifiable information (PII), protected health information (PHI), or any other regulated or

sensitive information requiring protections beyond those expressly set forth in this Agreement (“Prohibited Data”). Input of this type of data will be considered an Incident, which the Customer is responsible for reporting to the relevant authorities. Peraton disclaims all liability arising from, and Customer shall indemnify Peraton against any claims, losses, or expenses related to Customer’s inclusion of Prohibited Data in the Services or as Input, in accordance with Section 14.

7. Payment.

7.1. Fees. Customer will pay Peraton the applicable fees in accordance with and as specified in the applicable Service Order (the “Fees”). Fees shall be paid in U.S. Dollars unless otherwise specified in the Service Order. Fees exclude all taxes, duties, and third-party fees (e.g., sales/use/VAT/GST/withholding). Customer is responsible for such taxes (excluding Peraton’s income taxes) and will provide valid exemption certificates if applicable.

7.2. Payment. Except for bona-fide disputes, Customer is responsible for timely payment. Customer will make payment to Peraton within seven (7) calendar days of the invoice date. If Fees are past due, Customer shall pay a late charge of the lesser of 1.5% per month or the maximum rate permitted by law and Peraton reserves the right to suspend or terminate the Services. Customer is responsible for providing complete and accurate billing and contact information to Peraton for invoicing purposes

7.3. Taxes. Fees are exclusive of taxes, which Peraton will charge as required by applicable law in connection with the Services. All Fees under this Agreement shall be paid in full, without any deduction or withholding for taxes, levies, duties, tariffs, or other charges of any nature imposed by any governmental authority. If any such deduction or withholding is required by law, Customer shall increase the payment to Peraton, so that the net amount received equals the amount invoiced.

8. Confidentiality.

8.1. Use and Nondisclosure. The Receiving Party agrees to: (a) only use Confidential Information to exercise its rights and fulfill its obligations under this Agreement; (b) take reasonable measures to protect Confidential Information; and (c) not disclose Confidential Information to any third party except as expressly permitted in this Agreement.

8.2. Exceptions. The obligations in Section 8.1 do not apply to information that: (a) is or becomes generally available to the public through no fault of the Receiving Party; (b) was in the Receiving Party’s possession or known by it prior to receipt from the Disclosing Party; (c) was rightfully disclosed to the Receiving Party without restriction

by a third party; or (d) was independently developed without use of the Disclosing Party’s Confidential Information.

8.3. Permitted Disclosure. The Receiving Party may disclose Confidential Information to its Affiliates, employees, contractors, and agents who have a legitimate need to know and who are bound by confidentiality obligations at least as restrictive as those in this Agreement. The Receiving Party will be responsible for any breach of this Section 8 by its Affiliates, employees, contractors, and agents. The Receiving Party may also disclose Confidential Information to the extent required by law, subpoena or court order, provided (if permitted by applicable law) the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order and limits the amount disclosed to only what is legally required.

8.4. Remedies. The Receiving Party acknowledges that a disclosure of Confidential Information in violation of these terms would cause substantial harm for which damages alone would not be a sufficient remedy, and therefore upon any such disclosure by the Receiving Party, the Disclosing Party will be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law.

8.5. Deletion of Confidential Information. Upon termination or expiration of this Agreement, the Receiving Party will delete Confidential Information, but may retain such information pursuant to its policies for (a) accounting, tax, billing, audit, and compliance purposes; (b) investigating fraud or unlawful use of the Services; or (c) as required by applicable law, provided such retention, use, and disclosure for the foregoing purposes is subject to the confidentiality obligations under this Section.

9. Suspension.

9.1. End User Accounts. If an End User: (a) violates this Agreement; or (b) causes or will reasonably cause a “Security Emergency,” then Peraton may, in its sole discretion, suspend or terminate the relevant End User account. For purposes of this Agreement, “Security Emergency” means a condition or event that, in Peraton’s reasonable judgment, (a) poses a credible threat to the security, integrity, or availability of the Services, Peraton’s systems, or Peraton’s data; (b) may result in unauthorized access to or disclosure of Customer Data or Peraton’s confidential information; or (c) otherwise could materially harm Peraton, its customers, or the Services if not immediately remedied.

9.2. Services. Peraton may limit, suspend, or terminate Customer’s access to the Services if: (a) it is required to do so by law; (b) Customer violates this Agreement or Documentation; or (c) doing so is necessary to prevent, mitigate, or resolve a Security

Emergency.

10. IP Rights.

10.1. Reservation of Rights. Except as expressly set forth herein: (a) Customer does not grant Peraton any IP Rights in Customer Content or Input; and (b) Peraton does not grant Customer, its Affiliates, End Users, or any Third Party any IP Rights in Peraton IRIS, including but not limited to, the associated Services, including any applications, products, services, or content provided by a third party that interoperate with or are used in connection with the Services, whether made available through the Services or separately obtained by Customer. Except as otherwise expressly provided herein, Peraton grants no license(s) to any of its intellectual property and no other transfer of Peraton intellectual property is made hereunder.

10.2. Limited Permission. Customer grants Peraton, its Affiliates, subcontractors, and any subprocessors a worldwide, royalty-free, transferable, sublicensable, irrevocable right and license to use, host, store, reproduce, modify, transmit, display, perform, adapt, and otherwise process Customer Content and Inputs as necessary or useful to provide, operate, maintain, secure, and support the Services, and to comply with applicable law, regulation, or governmental request.

10.3. Feedback. If Customer provides suggestions, comments, or other feedback to Peraton with respect to the Services ("Feedback"), Customer grants Peraton the unlimited, irrevocable, and worldwide right to use and exploit Feedback without restriction or compensation.

11. Publicity. Customer shall not issue any press release or make any public announcement, disclosure, or other publicity relating to this Agreement or the relationship between the Parties without Peraton's prior written consent. Peraton may identify Customer as a customer of the Services and use Customer's name and logo in its customer lists, websites, and marketing materials, unless Customer provides written notice requesting otherwise. Notwithstanding the foregoing, Peraton may disclose the existence or terms of this Agreement as required by law, regulation, or legal process, or in connection with regulatory or governmental filings or proceedings.

12. Term and Termination.

12.1. Agreement Term. The Agreement will remain in effect for the Term.

12.2. Termination. Either Party may immediately terminate this Agreement or any Service Order, upon written notice if the other Party: (a) materially breaches this Agreement or any such Service Order and fails to cure the breach within thirty (30) calendar days after receipt of written notice; or (b)

ceases its business operations or becomes subject to insolvency proceedings. Termination of a Service Order does not terminate this Agreement.

Termination of this Agreement does, however, terminate all outstanding Service Orders. Each Party has the right to terminate this Agreement upon no less than thirty (30) calendar days' prior written notice to the other Party for any reason, if at such time there are no outstanding Service Orders then currently in effect.

12.3. Effects of Termination. Upon any termination or expiration of this Agreement, (a) Peraton shall no longer provide the Services to Customer and Customer shall promptly cease and cause its End Users to promptly cease using the Services; (b) any rights granted by Peraton to Customer will cease immediately; and (c) Peraton will delete all Customer Content and Input from its systems within thirty (30) calendar days, unless: (i) Peraton is legally required to retain it; or (ii) Customer has agreed otherwise in writing. Termination or expiration will not affect any rights or obligations, including the payment of Fees due, which have accrued under this Agreement up to the date of termination. Peraton may retain Abusive Customer Content, or, if Customer's access to the Services is suspended via Section 9 or terminated via Section 12, share information related to Abusive Customer Content, as required by law, or as reasonably necessary to protect the Services or any third party from harm.

12.4. Survival. The following provisions will survive termination or expiration of the Agreement: 7.2 (Payment), 8 (Confidentiality), 10 (IP Rights), 12.3 (Effects of Termination), 12.4 (Survival), 13 (Warranties; Disclaimers), 14 (Indemnification), 15 (Limitation of Liability), 16 (Miscellaneous).

13. Warranties; Disclaimer.

13.1. Warranties. Peraton warrants to Customer that the Services will operate in substantial conformity with the Documentation during the Term. The warranties in this Section 13.1 do not apply to: (a) the extent the issue or non-conformity is caused by Customer's use of the Services in violation of this Agreement, or (b) Third-Party Services, Third-Party Software, or Open-Source Software. Customer's sole and exclusive remedy for Peraton's breach of this warranty will be the correction of the deficient Services that caused the breach of the warranty, or, if Peraton cannot substantially correct the deficiency in a commercially reasonable manner, Customer may terminate this Agreement or applicable Service Order in accordance with Section 12.

13.2. Disclaimer. SUBJECT TO SECTION 13.1, THE SERVICES ARE PROVIDED "AS IS." TO THE EXTENT PERMITTED BY LAW, EXCEPT AS EXPRESSLY STATED IN THE AGREEMENT, PERATON AND ITS AFFILIATES AND

LICENSORS MAKE NO WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE, OR NON-INFRINGEMENT. PERATON MAKES NO REPRESENTATION, WARRANTY OR GUARANTEE THAT SERVICES WILL MEET CUSTOMER'S REQUIREMENTS OR EXPECTATIONS, THAT SERVICES WILL BE UNINTERRUPTED, SECURE OR ERROR-FREE, THAT CUSTOMER CONTENT WILL BE ACCURATE, THAT DEFECTS WILL BE CORRECTED, OR REGARDING ANY THIRD-PARTY SERVICES. PERATON WILL NOT BE RESPONSIBLE OR LIABLE FOR ANY CUSTOMER CONTENT, THIRD-PARTY SERVICES, THIRD-PARTY CONTENT, OR NON-PERATON SERVICES (INCLUDING FOR ANY DELAYS, INTERRUPTIONS, TRANSMISSION ERRORS, SECURITY FAILURES, AND OTHER PROBLEMS CAUSED BY THESE ITEMS).

14. **Indemnification.** Customer shall indemnify, defend, and hold harmless Peraton, its Affiliates, and their respective officers, directors, employees, agents, and contractors (collectively, the "Indemnified Parties") from and against any and all claims, demands, suits, proceedings, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or relating to (a) Customer Content, Input or Output, including any allegation that such materials infringe, misappropriate, or violate any intellectual property, privacy, publicity, or other rights of any third party, or violate any applicable law; (b) Customer's or any End User's use of the Services in violation of this Agreement, applicable law, or third-party rights; (c) Customer's breach of its representations, warranties, or obligations under this Agreement; (d) Customer's inclusion of Prohibited Data in the Services; or (e) any security incident, data breach, or unauthorized disclosure of data arising from Customer's acts, omissions, or use of the Services in violation of this Agreement. Customer shall notify Peraton in writing of any claim promptly upon learning of or receiving the same. Peraton shall have the right to participate in the defense of any claim with its own counsel at its own expense. Customer shall not settle any claim without Peraton's prior written consent unless the settlement provides a full release of all claims against the Indemnified Parties and imposes no admission of liability or ongoing obligation on Peraton.

14.1. **Mitigation.** If Peraton reasonably believes that all or any portion of the Services is likely to become the subject of an infringement Claim, Peraton, in its sole discretion, may: (a) obtain, at Peraton's expense, the right for Customer to continue using the Services in accordance with this

Agreement; (b) replace or modify the allegedly infringing Service; or terminate this Agreement upon written notice to Customer and refund any prepaid Fees for unused Services. Customer will promptly comply with all reasonable instructions provided by Peraton with respect to the above, including any instructions to replace, modify, or cease use of the Services.

15. **Limitation of Liability.** To the maximum extent permitted by law, Peraton, its Affiliates, and their respective officers, directors, employees, agents, and contractors shall have no liability to Customer for any indirect, incidental, consequential, special, exemplary, or punitive damages, or any loss of profits, revenue, business, goodwill, data, or anticipated savings, even if advised of the possibility of such damages. Except as set forth in this Section 15, Peraton's total aggregate liability to Customer arising out of or related to this Agreement shall not exceed the amounts actually paid by Customer to Peraton under the applicable Service Order giving rise to the claim. The limitations set forth in this Section 15 shall not apply to: (a) a breach of confidentiality under Section 8, or (b) claims arising from willful misconduct, gross negligence, or fraud.

16. Miscellaneous.

16.1. **Entire Agreement.** This Agreement is the entire agreement between Customer and Peraton with respect to its subject matter and supersedes all prior or contemporaneous agreements, communications and understandings regarding its subject matter, whether written or oral.

16.2. **Conflicting Terms.** If there is a conflict between the documents that make up the Agreement, the documents will control in the following order, the: (a) applicable Service Order; (b) this Agreement; and (c) Documentation.

16.6. Waiver. Performance of any obligation required by a Party hereunder is waived only by a written waiver signed by an authorized representative of the other Party, which waiver is effective only with respect to the specific obligation described therein. The failure of either Party to exercise any of its rights under this Agreement does not constitute a waiver or forfeiture of such rights. One waiver does not imply any future waiver.

16.7. Assignment. Customer may not assign this Agreement, or any rights or obligations under this Agreement, without first obtaining the express written prior consent of Peraton. However, either Party may assign this Agreement to a successor to substantially all the respective party's assets or business, provided the assigning party provides at least thirty (30) calendar days prior written notice of the assignment. This Agreement will be binding upon the parties and their respective successors and permitted assigns. Any attempted assignment by Customer in violation of this Section 16.7 will be null and void.
