

December 9, 2021

Subject: Invoicing Address Change

Please be advised that Peraton is in the process of combining its financial systems, and at the beginning of January, will be unified on one financial system: *Deltek Costpoint*.

In order to support this integration, please be aware that Peraton will be changing its addresses for invoicing. Therefore, starting **December 15, 2021**, invoices should be submitted to the following locations:

If you are currently submitting electronic invoices, the new email address is finOp.statement2@peraton.com. When submitting invoices please ensure there is only one attachment. If there are multiple documents that are typically provided with your invoice, please combine them into one attachment before submitting.

If you are currently submitting invoices via mail to accounts payable, please note that the mailing address has also changed. Below is the new address.

Peraton Inc.
Attn: Accounts Payable
P.O. Box 221470
Chantilly, VA 20153-1470

Additionally, starting December 15, 2021 all invoicing questions can be sent to crc.usgovt@peraton.com.

Please modify your records accordingly.

Sincerely,
