Peraton affirms our commitment to the advancement of our Small Business Program. Please take time to share this statement with your staff so they appreciate the importance of this commitment.

***Peraton commits that in the performance of U.S. Federal contracts, small, veteran-owned small, service-disabled veteran-owned small, historically underutilized business zone small, small disadvantaged business and woman-owned small, shall have the maximum practical opportunity to participate in subcontracts awarded by Peraton in accordance with Public Laws 95-507 and 100-180.***

This Program is important for the following reasons:

- For Peraton – We are able to (1) establish positive working relationships with qualified small and diverse businesses, and (2) meet client contract requirements on socio-economic objectives;
- For Peraton’s small business partners – We can provide meaningful subcontracting and mentoring opportunities, particularly for small, veteran-owned small, service-disabled veteran-owned small, historically underutilized business zone small, small disadvantaged business and woman-owned small, as well as Historically Black Colleges & Universities/Minority Institutions; and
- For Peraton’s Clients – We are able to demonstrate our commitment to meeting small business goals and help to carry out the socio-economic mission for which Federal Small Business Programs were designed.

Peraton coordinates our Small Business Program in accordance with all applicable federal laws, regulations and company policies. All employees involved in procurement activities are charged with the responsibility of understanding and implementing our commitment. If you have any questions or need assistance, please contact Peraton’s Small Business Program Office.
