5252.216-9204 LEVEL OF EFFORT--FEE ADJUSTMENT FORMULA (MAR 1994)

(a) Subject to the provisions of the "Limitation of Cost" or "Limitation of Funds" clause (whichever is applicable to this contract), it is hereby understood and agreed that the fixed fee is based upon the Contractor providing the following number of staff-hours of direct labor, hereinafter referred to as X, at the estimated cost and during the term of this contract specified elsewhere herein:

[Contractor shall insert number of estimated direct labor staff hours]

Total Staff-Hours (X) * Total Prime Staff-Hours Fixed Fee**
 *(inclusive of Prime and any proposed Subcontractor(s))
 Base Period
 Option 1
 Option 2
 Option 3
 **Contractor is to identify basis for fixed fee amount: _____ Prime Hours Only _____ Total Staff-Hours

The Contractor agrees to provide the total level of effort specified above in performance of work described in Sections "B" and "C" of this contract.

(b) Of the total staff-hours of direct labor set forth above, it is estimated that _____ staff-hours are competitive time (uncompensated overtime). Competitive time (uncompensated overtime) is defined as hours provided by personnel in excess of 40 hours per week without additional compensation for such excess work. All other effort is defined as compensated effort. If no amount is indicated in the first sentence of this paragraph, competitive time (uncompensated overtime) effort performed by the contractor shall not be counted in fulfillment of the level of effort obligations under this contract.

(c) Effort performed in fulfilling the total level of effort obligations specified above shall only include effort performed in direct support of this contract and shall not include time and effort expended on such things as local travel from an employee's residence to their usual work location, uncompensated effort while on travel status, truncated lunch periods, or other time and effort which does not have a specific and direct contribution to the tasks described in Section B.

(d) It is understood and agreed that various conditions may exist prior to or upon expiration of the term of the contract, with regard to the expenditure of labor staff-hours and/or costs thereunder which may require adjustment to the aggregate fixed fee. The following actions shall be dictated by the existence of said conditions:

(1) If the Contractor has provided not more than 105% of X or not less than 95% of X, within the estimated cost, and at the term of the contract, then the fee shall remain as set forth in Section B.

(2) If the Contractor has provided X-staff-hours, within the term, and has not exceeded the estimated cost then the Contracting Officer may require the Contractor to continue performance until the expiration of the term, or until the expenditure of the estimated cost of the contract except that, in the case of any items or tasks funded with O&MN funds, performance shall not extend beyond 30 September. In no event shall the Contractor be required to provide more than 105% of X within the term and estimated cost of this contract. The fee shall remain as set forth in Section B.

(3) If the Contractor expends the estimated cost of the contract, during the term of the contract and has provided less than X staff-hours, the Government may require the Contractor to continue performance, by providing cost growth funding, without adjusting the fixed fee, until such time as the Contractor has provided X staff-hours.

(4) If the Contracting Officer does not elect to exercise the Government's rights as set forth in paragraph (d)(2) and (d)(3) above, and the Contractor has not expended more than 95% of X staff-hours, the fixed fee shall be equitably adjusted downward to reflect the diminution of work. The total fee due the contractor shall be adjusted so as to be in direct proportion to the number of direct hours utilized in the same ratio of fee to the estimated total hours then set forth in the contract.

(5) Nothing herein contained shall, in any way, abrogate the Contractor's responsibilities, and/or the Government's rights within the terms of the contract provision entitled "Limitation of Cost" or "Limitation of Funds" as they shall apply throughout the term of the contract, based upon the total amount of funding allotted to the contract during its specified term.

(e) Within 45 days after completion of the work under each separately identified period of performance hereunder, the Contractor shall submit the following information in writing to the Contracting Officer with copies to the cognizant Contract Administration Office and DCAA office to which vouchers are submitted:

(1) The total number of staff-hours of direct labor expended during the applicable period.

(2) A breakdown of this total showing the number of staff-hours expended in each direct labor classification and associated direct and indirect costs.

(3) A breakdown of other costs incurred.

(4) The Contractor's estimate of the total allowable cost incurred under the contract for the period.

In the case of a cost under-run, the Contractor shall submit the following information in addition to that required above:

(5) The amount by which the estimated cost of this contract may be reduced to recover excess funds and the total amount of staff-hours not expended, if any.

(6) A calculation of the appropriate fee reduction in accordance with this clause.

All submissions required by this paragraph shall separately identify subcontractor information, if any.

ADDITIONAL SLINS

Additional SLINs will be unilaterally created by the Contracting Officer during performance of this Task Order to accommodate the multiple types of funds that will be used under this order.

LIMITATION OF LIABILITY – INCREMENTAL FUNDING

This delivery order is incrementally funded and the amount currently available for payment hereunder is limited to funds will cover the cost of performance through **12 August 2011**. Subject to the provisions of the clause entitled "Limitation of Funds" (APR 94) (FAR 52.232-22) of the general provisions of this contract, no legal liability on the part of the Government for payment in excess of additional funds are made available and are incorporated as a modification to the delivery order.

SECTION C DESCRIPTIONS AND SPECIFICATIONS

C-302 SPECIFICATIONS/STATEMENT OF WORK (DEC 1998)

Work under this contract shall be performed in accordance with the following Performance Work Statement (PWS):

SPAWARSYSCEN-CHARLESTON, Code 543, USCENTAF Engineering & Installation (E&I) Support

1.0 INTRODUCTION

The purpose of this task order is to provide Communications Engineering and Installation (E&I) support to USCENTAF deployed forces in the USCENTCOM AOR.

2.0 BACKGROUND

USCENTAF Communications E&I support began in June 2004. This effort was contracted out originally due to the unavailability of USCENTAF E&I resources and the increased requirement for communications infrastructure. Previous and existing contracted Communications E&I support is performed in Balad and Al Asad, Iraq; Bagram, Afghanistan; and Manas, Kyrgyzstan and may expand into other USCENTAF sites within Iraq and Southwest Asia (SWA). This support has enabled USCENTAF to meet communications requirements supporting mission flights in the Global War on Terrorism.

3.0 SCOPE

The objective of this task order is to provide E&I personnel supporting deployed mission requirements in the USCENTCOM AOR. Personnel will be operating under the technical direction of the Task Order Manager (TOM) or technical point of contact. The personnel shall augment on-site government personnel and provide installations, operations, maintenance, administration, and management required to support the following:

- Engineering of Inside/Outside Cable and Fiber Infrastructure
- Drafting/CAD Engineering Diagrams of Inside/Outside Cable and Fiber Infrastructure
- Installing of Inside/Outside Cable and Fiber Infrastructure
- Controlling Installation Materials and Equipment

4.0 PLACE OF PERFORMANCE

Work shall be performed on military installations within the USCENTCOM AOR.

higher. Some tasks/areas may require a Top Secret security clearance. Access to work sites is controlled. The contractor shall submit a list of all assigned support personnel to Space and Naval Warfare Systems Center, Charleston, S.C. (SSCC) for approval and distribution. Workers shall not be permitted access to the work sites without appropriate information on file at the appropriate work site. The host country military or civilian government officials and the DoD reserve the right to deny site access to any individual for security reasons or other sufficient cause.

Contractor's request for visit authorization shall be submitted in accordance with the National Industrial Security Program Operating Manual (NISPOM) two weeks before deployment. The request shall be forwarded via SPAWAR Systems Center, Charleston (SSCC), PO BOX 190022, North Charleston, S.C. 29418, Attn: Security Office, for certification of need to know by the specified TOM. DD-254 of the basic contract applies.

6.1 Security Problem Resolution

The contractor shall assist in resolving any problems resulting from the security certification and accreditation process including vulnerability assessments and red team activities. This shall address security problem reports, technical investigations, and any testing performed to accomplish certification.

6.2 Security Officer

In addition to the requirements of the FAR 52.204-2 "Security Requirements" clause, the Contractor shall appoint a Security Officer, who shall (1) be responsible for all security aspects of the work performed under this contract, (2) assure compliance with the National Industry Security Program Operating Manual (DODINST 5220.22M), and (3) assure compliance with any written instructions from the Security Officer, SPAWAR Systems Center Charleston or his designated representative indicated.

6.3 Security Reporting

The contractor shall provide security incident reports as they occur and monthly summaries as part of the Monthly O&M Reports. The reports shall provide the following information:

- Date and time of incident
- Incident type
- Incident severity
- Location(s)
- Components affected
- Containment and restoration procedures employed
- Proposal to ensure no re-occurrence
- Other relevant information

7.0 COR DESIGNATION/TASK ORDER MANAGER

The Task Order Manager (TOM) and Technical Point of Contact is Mr. Robert James, SSCC Code 543RJ, 843-218-5903, DSN 588-5903, robert.p.james@navy.mil.

The CENTAF Program Manager is Maj. Timothy Maxwell, USAF, 803-895-1481, DSN 965-1481, timothy.maxwell@shaw.af.mil.

8.0 GENERAL REQUIREMENTS

----------------------------------	----------------------------	----------------------------------	------------------	-------

8.1 PERSONNEL REQUIREMENTS

8.1.1 Employee Tour of Duty

The contractor shall make every effort to obtain employees committed to the full contract duration of the position for which hired. Unless otherwise specified in the delivery order, the minimum planned tour of duty for new hire, full time in-Country Contractor employees shall be one year or termination/completion of the position, or contract, whichever occurs first. Contractor personnel deployed under this contract are 100% and are not authorized to work on other contracts unless authorized by the TOM.

8.1.2 Personnel Probationary Period

There shall be an initial thirty (30) day probationary period in-country for full time deployed personnel. Probation starts upon arrival of individual at the initial work site. There shall be no personnel replacement/exchange cost to the contract or government if an employee does not meet approval during the probationary period.

8.1.3 Base Access and Behavior Standards

Due to the sensitive nature of our military presence at deployed locations, local base or communications squadron commanders can be expected to deny base access to personnel should their behavior reflect discredit upon the United States military or represent a risk to the government. If denied access the affected person would be unable to perform his/her duties. For such an occurrence, the contractor shall ensure a suitable replacement as soon as practical and at minimal cost to the contract. For the purposes of this contract, cause for denial of access shall include:

- Failure to respect and observe the laws, customs, and regulations of the Host Country including the laws prohibiting access to certain areas of the country to non-Muslims or non-nationals

- Failure to respect and observe military command authority and/or base regulations

- Becoming a recognized security threat

- Failure to perform assigned duties

8.2 CONTRACTOR SUPPORT

The "Prime Contractor" shall be United States Companies. These contractors performing under this contract are Defense Contractors. Contractor personnel shall be defined as one of the following sub-categories of defense contractors. Full definitions of each category are provided in the referenced documents.

8.2.1 Contingency Contractor Personnel

Contractors authorized to accompany U.S. military forces in contingency operations or other military operations as specified in Ref. (a) in DoD Instruction 3020.41.

8.2.2 Essential Contractors

Contractors providing services deemed essential for the effectiveness of defense systems or where loss of services may seriously impair or interrupt operators. Operations and maintenance of Command, Control, and Communications Systems are essential services. Essential contractors are also referred to as "mission essential" contractors. See Ref. (a) for the full definition.

During periods of crisis or hostilities, essential contractors shall use all means at their disposal to continue to provide services unless appropriately released from this contractual obligation, ordered to leave, or evacuated by military authority. Essential contractors assigned to such essential duties shall execute an agreement detailing the terms of this paragraph prior to being deployed overseas.

----------------------------------	----------------------------	----------------------------------	------------------	-------

8.2.3 Contractors Deploying with the Force (CDF)

Contractors Deploying with the Force (CDF) are contingency contractors designated to remain in place in theater when a contingency is declared. In many cases, these contractors have a long-term relationship with a specific unit and provide services directly to U.S. military forces and receive Government-furnished support similar to DoD civilians. In general, command, control, and communications O&M personnel are considered CDF. See Ref. (a) for the full definition.

8.2.4 Contractors in Hostile Areas Status

Contractors providing services in areas of hostile activity specified in Ref (b) must meet specific criteria designated in the reference. Currently, Afghanistan and Iraq are the designated hostile areas in the CENTCOM AOR.

Examples of Defense Contractors

Category	Description	Applicable Tasking
Contingency Contractor Personnel	Accompany military during military operations	Installation Teams and other not intended to stay during hostilities; also includes CDF
Contractors Deploying with the Force (CDF)	Remain in place when contingency declared	Contractors deployed and assigned to Military Unit
Essential Contractors	Provide mission essential services and remain in place during hostilities	O&M and long-term contractors
Contractors in Hostile Areas	Deployed to hostile areas in Ref (b)	Includes all contractors

8.3 MOBILIZATION AND DEPLOYMENT PROCEDURES

The contractor shall arrange and provide for all mobilization and demobilization of its personnel. Demobilization of contractors shall be completed within 30 days after contract completion. Contractors shall mobilize and deploy as specified in references (a) and (b).

8.3.1 Pre-Deployment Processing

8.3.1.1 Hostile Area and CDF Contractors

In accordance with References (a) and (b), Defense contractors deploying to hostile areas and CDF shall report to a Combat Readiness Center (CRC) in order to:

- validate entry of accountability information in the joint database
- be issued or validate possession of proper identification cards
- receive applicable Government-furnished equipment
- receive medical and dental screening including required military-specific vaccinations/immunizations (e.g., anthrax, smallpox) and provide DNA sample
- validate or complete any required training (Geneva Conventions, law of armed conflict, general orders, standards of conduct, force protection, personnel recovery, medical, operational security, anti-terrorism, nuclear, biological and chemical protective gear, country brief and cultural awareness)

----------------------------------	----------------------------	----------------------------------	------------------	-------

8.3.1.2 Contractors Deployed to the CENTCOM AOR 15 Days or More

All defense contractors that are not CDF, nor deploying to hostile areas, shall carryout pre-deployment processing (not necessarily through a CRC) to receive:

- validate entry of accountability information in the joint database
- be issued or validate possession of proper identification cards
- receive applicable Government-furnished equipment
- receive medical and dental screening including required military-specific vaccinations/immunizations (e.g., anthrax, smallpox)

8.3.1.3 Contractors Deployed to the CENTCOM AOR Less Than 15 Days

All defense contractors that are not CDF, nor deploying to hostile areas, shall carry out pre-deployment processing (not necessarily through a CRC) to receive:

- validate entry of accountability information in the joint database
- be issued or validate possession of proper identification cards

8.3.2 Local Processing

Upon arrival in country, defense contractors shall process in/check in with the local USAF Personnel Support for Contingency Operations (PERSCO) office for accountability and will report for daily accountability as required by the local base commander. The contractor shall check out for end of tour, vacation, TDY travel, or any other movement.

8.3.3 Force Protection Measures

The government shall provide Force Protection equivalent to what is provided to DoD civilians. The contractor shall provide all life and mission support to its employees necessary to perform the contract. However, in many contingency operations, the Government may decide it is in its interests to provide selected life and mission support to some contingency contractor personnel. When necessary and required by the geographic Combatant Commander, contingency contractor personnel shall be issued military individual protective equipment (e.g., chemical defensive gear, body armor, personal protective equipment).

The TOM shall direct the contractor to comply with requirements intended to safeguard the safety and health of Essential Contractor personnel as necessary to comply with DoD or service requirements. The TOM may communicate the requirements through a letter of notification or other means, and subsequently modify the contract to incorporate the requirements via full text or reference. If appropriate the contractor may file a proposal for cost or other impacts under the Changes clause or a Request for Equitable Adjustment. The contractor shall comply with force protection policies established by the local military authority.

8.3.4 Host Nation Visas, Permits, and Licenses

The contractor shall obtain in-country sponsorship, passports, visas, permits for work, vehicle operations, in-country personal travel, and any other required licenses and host nation permits for personnel working under this contract.

8.3.5 Identification Cards, Badges, and Passes

All personnel working under this contract shall carry and/or display identification issued by the U.S. Government or host nation government at all times according to instructions applied at each military facility.

The host country military or civilian government officials and DoD reserve the right to deny site access to any

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. V702	AMENDMENT/MODIFICATION NO. 51	PAGE 17 of 82	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

individual. The government shall not be liable for delays caused by inaccessibility due to contractor non-compliance with security requirements through the Host Nation Security.

8.3.5.1 Base Passes

The contractor is responsible for coordinating with the local Government for access to U.S. Facilities. The Government shall provide appropriate base passes and other authorization for access to U.S. controlled areas required by the contract.

The contractor shall comply with all base access, security, vehicle control, safety, environmental protection, and other policies while on USCENTCOM installations. Compliance with force protection policies shall be in accordance with the guidelines established by the local military authority.

8.3.5.2 Retrieving Identification Media

The contractor shall retrieve all identification media, including vehicle passes, from personnel who depart for any reason before the contract expires (e.g. terminated for cause, retirement, etc.). Prior to departure from the host nation, identification cards and badges shall be returned to the U.S. Government and/or host nation government, as applicable.

8.3.6 Letter of Authorization (LOA)

The government will provide LOA in lieu of travel orders for official travel supporting this contract. LOA's will identify location authorizations, privileges, etc as specified SPAWAR or DoD requirements. All defense contractors working under this contract shall carry LOA's with them at all times while deployed.

Contractors will be assigned equivalent GS grades for the purpose of determining what level of government-provided support will be provided as specified in reference (c). Non-supervisory positions will be equivalent to GS-12 and supervisory/management positions will be equivalent to GS-13.

8.3.7 Contractor Deployment Documentation

The contractor shall provide contractor information/documentation to the government as required by the Foreign Clearance Guide (FCG), DoD and SPAWARSYSCEN requirements to process LOA and appropriate notifications. Current requirements include:

- Passport and one additional valid U.S. ID (birth certificate, Social Security Card, U.S. Drivers License)
- Visit Request w/ Security Clearance Information
- DD Form 1172-2 (CAC application)
- Emergency contact information such as next-of-kin
- Other documents as required

8.3.8 Personnel Movements

The Prime Contractor shall maintain a current listing of contractor personnel and shall provide an updated list to the TOM weekly or upon request.

The contractor shall notify the government 24 hours prior to all personnel movements. Reportable personnel movements include: initial deployments, TDY travel, vacations, emergency leave, and end of tour.

8.4 BERTHING AND TRANSPORTATION

----------------------------------	----------------------------	----------------------------------	------------------	-------

8.4.1 Housing

8.4.1.1 Non-Hostile Area Housing

The contractor shall provide quarters on the local economy, unless otherwise directed by the base commander. Temporary duty housing will depend on the force protection conditions and shall be at the discretion of the government.

8.4.1.2 Hostile Area Housing

In hostile areas, the government shall provide on-base berthing. The contractor shall expect field accommodations. Should the area be deemed safe enough to live off base by the local U.S. military security authorities, and at the direction of the Base Commander, the contractor shall be prepared to support assigned personnel on the economy, with local country sponsorship as required.

8.4.2 Transportation

The contractor shall provide local transportation from the local economy. Ground transportation or convoys are not authorized for travel between bases in areas of hostile activity without written authorization from the TOM.

8.5 MEDICAL AND DENTAL

8.5.1 Primary Care

In accordance with the guidance of Reference (a) primary medical or dental care is not authorized and will not be provided to contractors performing under this contract. Primary care includes:

- Inpatient and outpatient services
- Non-emergency evacuation
- Pharmaceutical support
- Dental services

8.5.2 Emergency and Resuscitative Care

The government shall provide emergency and resuscitative care as defined in Reference (a) to contingency contractors. This includes medical care when life, limb, or eyesight is jeopardized and for emergency medical and dental care. Examples include: life-dependent drugs, broken bones, lacerations, broken teeth or bridgework, lost crowns or fillings. All costs associated with the treatment and transportation of contingency contractors are reimbursable to the government and shall be the responsibility of the contractor, their employer, or health insurance provider.

8.5.3 Medical Examinations

The contractor shall provide medically and psychologically fit personnel for deployment. The contractor shall have all personnel medically and psychologically screened in accordance with Reference (a) and provide evidence of completion to the TOM along with the Deployment Process Certification. Personnel who are deemed not medically or physically qualified shall not be authorized to deploy.

8.5.4 Glasses and Contacts

If vision correction is required, contingency contractors shall be required to have two replacement pairs of glasses. The government is not responsible for any irreversible eye damage cause by debris, chemical or other hazards present and the lack of ophthalmologic care caused by wearing contact lenses.

----------------------------------	----------------------------	----------------------------------	------------------	-------

8.5.5 Medications

Contingency contractors shall deploy with a minimum of 180-day supply of any required medications, obtained at their own expense. The government is not required to provide or replace medications required for routine treatment of chronic medical conditions such as: high blood pressure, heart conditions, and arthritis.

8.5.6 Immunizations

The geographic Combatant Commander, upon recommendation of the appropriate medical authority, provides guidance and a list of required immunizations for those deploying into the theater of operation. Contingency contractors shall be appropriately immunized before deployment. The government shall provide military specific immunizations/vaccinations (e.g., anthrax, smallpox). The contractor shall receive all other immunizations (e.g., yellow fever, tetanus, typhoid, flu, hepatitis A & B, meningococcal, and tuberculin (TB) skin testing) prior to arrival at the deployment center. The government shall provide theater specific medical supplies and medications, such as anti-malarials. Contingency contractors shall carry a copy of their "International Certificate of Vaccination (i.e., shot record) during deployment processing and in-processing.

8.5.7 Human Immunodeficiency Virus (HIV) Testing

Contractors shall provide HIV testing within 1 year prior to deployment and provide certification as required by a status of forces agreement (SOFA), Host Nation (HN), or Military requirements. Currently, testing is required for deployment to the USCENTCOM AOR.

8.6 BASE SUPPORT

At the deployed base, contingency contractor personnel shall be eligible for base support equivalent to DoD civilian personnel, including force protection, and force protection services (such as Anthrax/Smallpox inoculations and issuance of chemical warfare defense equipment, helmets, and body armor).

8.6.1 Meals

In non-hostile areas, meals are not provided by the government. If contractors dine on-base, the contractor shall pay all appropriate charges and/or deduct applicable per-diem allowances. In hostile areas, contractors shall dine on-base and pay all appropriate charges where the government has instituted such procedures.

8.6.2 Government Furnished Support/Services

Unless otherwise specified, contingency contractors shall receive the same support as DoD civilians. Support includes:

- Commissary and exchange privileges
- Check cashing
- Post Office (APO)
- Morale, welfare and recreation
- Religious support

8.7 LAWS AND REGULATIONS

Contractors providing support under this contract are subject to U.S. laws and regulations and may be subject to Federal law as specified in Ref (a). Contractors shall comply with all applicable Host Nation (HN) and Third Country National (TCN) laws (i.e., traffic, shipping, employment, registration, sponsorship, environmental, broadcast certification, etc). The government shall not be liable for contractor's non-compliance to TCN and HN laws.

8.8 WEAPONS

Contractor employees are prohibited from possessing weapons, firearms, or ammunition, while deployed or performing work under this contract. Physical security (force protection) shall be provided by the U.S. Military.

8.9 CLOTHING

Contractors are responsible for providing their own personal clothing, including casual and working clothing. Contractors are not authorized to wear military or military look-alike uniforms unless authorized in writing by the geographic Combatant Commander and the TOM for operations reasons (i.e., maintaining camouflage integrity). If authorized, care shall be taken to ensure contingency contractors are distinguishable from military personnel in accordance with Reference (a).

8.11 COMMUNICATIONS

All contingency contractors are required to wear or carry a cell phone or pager. Contingency contractors shall assume the responsibility, when required to be on call, to remain in the area of coverage.

8.12 TEST MEASUREMENT AND DIAGNOSTIC EQUIPMENT (TMDE)

The contractor shall be utilizing Government Furnished Test Measurement and Diagnostic Equipment (TMDE) under this contract. The contractor shall perform unit level maintenance on TMDE in accordance with applicable technical manuals and ensure it is properly calibrated. This equipment must stay on-base unless written authorization is provided by the government.

8.13 TECHNICAL SUPPORT

The contractor shall act as a consultant on features related to the system/ equipment capabilities, and when requested shall: review drawings and provide comments concerning communication requirements, attend design and review meetings, and shall provide additional continuity throughout the contract period. The contractor shall be provided access to all technical manuals and required technical material and procedures on-site. During the conduct of these duties, the contractor shall execute a Non-Disclosure Agreement prior to reviewing proprietary bids or other material from another contractor.

8.14 TRAINING

The contractor shall provide indoctrination, site-specific, or other training for personnel. The contractor shall provide training for existing and new equipment at a depth and level sufficient for technicians and maintenance personnel to operate, maintain, and repair the equipment as specified by the government.

8.15 PROGRAM MANAGEMENT

The contractor shall be responsible for the efficient management of this contract. Procedures shall be effectively implemented to ensure that the government's high standards of performance are met, including full responsiveness to contractual requirements and timely delivery of professional quality products. Personnel assigned must have the required security clearances and shall possess the technical and managerial experience levels specified in the solicitation and shall have demonstrated successful execution and administration of programs with equal or greater complexity and size.

Management activities shall include preparation and maintenance of work breakdown structures, preparation of inputs to subsequent statements of work, development and maintenance of requirements of the statement of work, scheduling, and preparation of monthly progress and financial reports.

If subcontractors are proposed, evidence of management experience must be shown. Significant corporate experience in subcontract management is required. The contractor shall supply and maintain cost and technical reporting systems that reflect subcontractor and prime contractor progress against the delivery requirements.

8.16 WORK IN IRAQ/AFGHANISTAN

The following Joint Contracting Command – Iraq/Afghanistan (JCC-I/A) requirements apply to work requiring delivery of material to or performance of services in Iraq/Afghanistan as invoked by individual Delivery/Task Orders:

9.0 DESCRIPTION OF TASKS

9.1 I/O Cable Plant General

The contractor shall provide inside/outside cable plant support. The contractor shall support installation, testing, removal, and maintenance of aerial, underground, and buried multi-purpose communications cable to include coaxial and fiber optic cable. The contractor shall also provide support to facilitate installation and maintenance of various types of cables to include:

- Install and work in manholes and conduit ducting systems
- Install, pull, and test fiber optic, copper, and coaxial cabling
- Terminate, splice, test, maintain, and repair fiber optic (including fusion splicing), copper, and coaxial cabling
- Install interior fiber, copper, and coaxial cabling
- Install fiber optic modems, multiplex equipment, patch panels, main and intermediate distribution frames, lightning protection, and supporting ground and power connections
- Install cabinets, cable ladder and rack systems, and equipment components in cabinet
- Operate heavy equipment to include: cable reel trucks, trenchers, backhoes, chisels, bobcat, 20k all-terrain forklift
- Provide access to buried communication cable and digging/chiseling trenches

The contractor shall install separate red and black interior signal cable distribution systems, exterior and interior coaxial cable systems, and supporting equipment to interface tactical and commercial cabling systems.

All support personnel shall execute a non-disclosure agreement with the Government. All products and installations shall be IAW Building Industry Consulting Service International (BICSI) standards.

9.1.1 Outages

The contractor shall be on call 24/7 via cell phone or pager. Once notified of an outage by the TOM, local communications squadron commander, or his designated representative, the technician must acknowledge the outage and respond according to local policies within 15 min. Maximum response time is 30 minutes for personnel billeted on base and 1.5 hour² for personnel billeted off base.

9.1.2 Continuity Book and Installation Records

The contractor shall create and update a continuity book to include location of soft copy information, examples of PSA and project packages, and local POC information.

9.1.3 Equipment and Materials

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. V702	AMENDMENT/MODIFICATION NO. 51	PAGE 22 of 82	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

The contractor shall provide test equipment, equipment, and materials to support cable infrastructure engineering and installation.

9.1.4 Preventive Maintenance

The contractor shall perform preventive maintenance on all equipment operated to prevent degradation of services. If equipment is government furnished, the government shall provide remedial and corrective maintenance to insure all equipment is in proper and full operating condition as described by the equipment manufacturer. All equipment, regardless of whether or not it is providing service at any time will be maintained as if it were providing service without any degradation of service.

9.1.5 Heavy Equipment Leasing

The contractor shall provide heavy equipment leasing to include backhoes, cable reel trucks, trailers, chippers, trenchers, chiselers, bobcats, and all terrain forklifts.

9.2 I/O Cable Plant Equipment & Software

The contractor shall procure, operate, and maintain equipment and software required to support I/O cable plant infrastructure. Equipment and software supported includes:

- Cable Analyzer / Fluke DTX1800 with Fiber Optic Modules
- Optical Time Domain Reflectometer / GN Nettest CMA4000
- Multi-meter / PSM-6 (or equiv.)
- Fiber Optic Splicing Machine – Fujikura 305 or Sumitomo Type 37
- Software - Micro Station, Auto CAD, Microsoft Project

9.3 I/O Cable Plant Engineering

The contractor shall provide I/O cable plant engineering support. All products produced by the engineer shall become GFI. Engineering support shall include:

- Perform and document site surveys to support fiber optic, copper, and coaxial infrastructure requirements
- Create PSAs to include specification for allied support, other minor construction, or facility upgrades and tools and test equipment requirements
- Prepare working engineering project packages for installation teams with installation instructions, sketches, and LOMs
- Complete technical solution for the telecommunications and IT upgrades/installations
- Analyze technical requirements to support projected mission, technology, infrastructure changes, and recommend capabilities for the new and existing facilities
- Engineer the technical solution to meet the USCENAF approved requirements
- Specification of tools and test equipment requirements
- Supervise, manage, and direct I/O supervisor and CAD technician on engineering projects
- Brief commanders on plans and/or status of projects

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. V702	AMENDMENT/MODIFICATION NO. 51	PAGE 23 of 82	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

-Create and update a continuity book to include location of soft copy information, examples of PSA and project packages, and local POC information

The contractor shall develop and execute cutover plans to integrate newly installed infrastructure. The cutover plans shall provide, as nearly as possible and practical, a seamless cutover of services from the old to the new infrastructure and systems. The contractor shall support the coordination of the cutover plan with the appropriate customers on and off post and with service and theater communications and IT agencies.

9.4 Computer-Aided Design (CAD)

The contractor shall provide computer-aided design (CAD) drawing capability for the creation and update of C4 telecommunications, IT infrastructure, and systems drawings. The drawings shall reflect engineered solutions be of sufficient detail to serve as installation drawings. Once the installations are completed, the Contractor shall convert the mark-up drawings to final, as-built drawings. These drawings shall become a part of the facility records.

All drawings shall be completed in Micro Station or AutoCAD to USAF or US Army standards unless otherwise specified.

9.5 Communications Systems Installation Records (CSIR)

The contractor shall act as a CSIR manager. The contractor shall ensure all fiber optic, copper, and coaxial infrastructure is marked IAW Building Industry Consulting Service International (BICSI) standards. The contractor shall perform documented Quarterly inspections of at least 10% of the overall base outside infrastructure. Inspections shall include manholes, Information Transfer Nodes (ITNs), and building demarcations. Any observed discrepancies shall be corrected on the spot or shall initiate a work order. All inspections shall be documented and kept in a continuity book.

9.6 Logistics Management

The contractor shall provide logistics management and inventory control of Government Furnished materials used to support projects the contractor is engineering and installing. The contractor shall submit requests, track, ship, and receive equipment and materials for assigned projects, tasks, etc. The contractor shall utilize the DOD transportation system if applicable.

10.0 Personnel Qualifications

10.1 I/O Cable Plant Engineer

Education:

Must have a Bachelor of Science degree in electrical/electronics engineering, mechanical engineering, computer/software engineering, computer science, math, physics or related scientific discipline from ABET.

General Experience:

Must have a minimum of five (5) years of experience in support of installations, repair, troubleshooting or maintenance of communications electronic systems or equipment. Must have the technical to exercise independent judgment in performing tasks in support of communications systems or equipment.

Specialized Experience:

Must have a minimum of five (5) years experience working with the following:

-Development of engineering plans to include specifications for allied support, minor construction, facility upgrade requirements, telecommunications and IT upgrades, specification of tools and test equipment requirements, and

engineering and program documents.

- Supervision, management, and direction of I/O cable supervisor and CAD technician on installation projects
- Preparation of working engineering project packages for installation teams to include installation instructions, sketches, LOMs, and engineering and program documentation (PSAs)
- Development and execution of cutover plans for upgrades/installations of telecommunications and IT infrastructure

10.2 I/O Cable Plant CAD Technician

Education:

Must have an Associate's degree in Engineering or Engineering Technology or related scientific discipline, OR Completion of formal resident trade school or apprentice program in drafting, OR A high school diploma, GED equivalent, or equivalent.

General Experience:

Must have a minimum of four (4) years experience as a drafter.

Specialized Experience:

Must have a minimum of four (4) years experience working with the following:

- Preparing Level 3 engineering drawings, circuit schematics, and illustrations using AUTOCAD for electronics systems or equipment
- Preparing detailed Computer-Aided Design (CAD) drawings of telecommunications, IT infrastructure, systems to reflect engineering solutions, and to facilitate installation of the telecommunications and IT infrastructure
- Preparing final as-built drawings to become a part of the facility records in AutoCAD to USAF or US Army standards.
- Performing visual inspections and conducting precise measurements to verify engineering drawings for electronic systems or equipment

10.3 I/O Cable Plant Technician III (Supervisor)

Education:

Must have an Associate's degree in Engineering or Engineering Technology OR Completion of formal resident trade school or apprentice program in electronics. OR Completion of at least three (3) U.S. Military schools in electronic communications equipment or systems and Grade E-7 or equivalent.

General Experience:

Memorial Day Last Monday in May

Independence Day 4 July

Labor Day First Monday in September

Columbus Day Second Monday in October

Veteran's Day 11 November

Thanksgiving Day Fourth Thursday in November

Christmas Day 25 December

(b) If any of the above holidays occur on a Saturday or a Sunday, then such holiday shall be observed by the Contractor in accordance with the practice as observed by the assigned Government employees at the using activity.

(c) If the Contractor is prevented from performance as the result of an Executive Order or an administrative leave determination applying to the using activity, such time may be charged to the contract as direct cost provided such charges are consistent with the Contractor's accounting practices.

(d) This contract does not allow for payment of overtime during the normal workweek for employees who are not exempted from the Fair Labor Standards Act unless expressly authorized by the Ordering Officer. Under Federal regulations the payment of overtime is required only when an employee works more than 40 hours in a normal week period.

C-317 NOTICE TO CONTRACTOR OF CERTAIN DRUG DETECTION PROCEDURES (DEC 1999)

(a) Pursuant to Navy policy applicable to both Government and contractor personnel, measures will be taken to prevent the introduction and utilization of illegal drugs and related paraphernalia into Government Work areas.

(b) In furtherance of the Navy's drug control program, unannounced periodic inspections of the following nature may be conducted by installation security authorities:

- (1) Routine inspection of contractor occupied work spaces.
- (2) Random inspections of vehicles on entry or exit, with drug detection dog teams as available, to eliminate them as a safe haven for storage of or trafficking in illegal drugs.
- (3) Random inspections of personnel possessions on entry or exit from the installation.

(c) When there is probable cause to believe that a contractor employee on board a naval installation has been engaged in use, possession or trafficking of drugs, the installation authorities may detain said employee until the employee can be removed from the installation, or can be released to the local authorities having jurisdiction.

(d) Trafficking in illegal drug and drug paraphernalia by contract employees while on a military vessel/installation may lead to possible withdrawal or downgrading of security clearance, and/or referral for prosecution by appropriate law enforcement authorities.

(e) The contractor is responsible for the conduct of employees performing work under this contract and is, therefore, responsible to assure that employees are notified of these provisions prior to assignment.

(f) The removal of contractor personnel from a Government vessel or installation as a result of the drug offenses shall not be cause for excusable delay, nor shall such action be deemed a basis for an equitable adjustment to price, delivery or other provisions of this contract.

C-720 PERFORMANCE BASED REVIEW AND ACCEPTANCE PROCEDURES

This is a performance based order, as defined in FAR Part 37.6. Contractor performance will be reviewed in accordance with the Quality Assurance Plan as follows:

QUALITY ASSURANCE PLAN

(1) Objective: The purpose of this plan is to provide a quality assurance plan for the services contracted under this Task Order. This plan provides a basis for the Task Order Manager (TOM) to evaluate the quality of the contractor's performance. The oversight provided for in this plan, and the remedy established, will help ensure that service levels are of high quality throughout the task order term.

(2) Performance Standards:

- a. The deliverables under this task order will be consistently technically accurate.
- b. The services delivered under this task order will be consistently of high quality.
- c. The contractor's cost control efforts under this task order will be consistently effective (applicable to cost reimbursement task orders).
- d. The contractor will be consistently responsive to Government customers in its performance of this task order.
- e. For the purposes of this plan, "consistently" is defined as "generally holding true", "persistently over time", and/or "overall uniformly".

(3) Evaluation Methods: The TOM will conduct performance evaluations based on the standards in paragraph 2 above using the following technique:

- a. During the performance period of the task order, the TOM will continually and proactively monitor contractor efforts and obtain input from other Government personnel with performance oversight functions to ascertain the level of compliance with the Performance Standards.
- b. Every 12 months after the effective date of the task order, the TOM will prepare a Task Order Performance Evaluation (TOPE) documenting the results of the efforts performed under paragraph 3.a. above.
- c. The TOM will upload the TOPE to the SeaPort Portal.

(4) Remedy

- a. If the annual Performance Evaluation indicates that the contractor has not met one or more of the Performance Standards, the following negative remedy becomes effective: the TOM will submit a negative TOPE on the SeaPort Portal for the applicable Performance Standard.
- b. This is a significant negative remedy as the TOPE is a key part of the Performance Monitoring process which:
 - i. Provides input to the annual Contractor Performance Assessment Report (CPAR); and
 - ii. Determines the contractor's ability to earn term extensions to its basic SeaPort-e contract in accordance with the Award Term provisions contained therein.

(AI-22.1) Prohibition Against Human Trafficking, Inhuman Living Conditions, and Withholding of Employee Passports (5 Nov 07) (Iraq/Afghanistan)

All contractors ("contractors" herein below includes subcontractors at all tiers) are reminded of the prohibition contained in Title 18, United States Code, Section 1592, against knowingly destroying, concealing, removing, confiscating, or possessing any actual or purported passport or other immigration document, or any other actual or purported government identification document, of another person, to prevent or restrict or to attempt to prevent or restrict, without lawful authority, the person's liberty to move or travel, in order to maintain the labor or services of that person, when the person is or has been a victim of a severe form of trafficking in persons.

Contractors are also required to comply with the following provisions:

- 1) Contractors shall only hold employee passports and other identification documents discussed above for the shortest period of time reasonable for administrative processing purposes.
- 2) Contractors shall provide all employees with a signed copy of their employment contract, in English as well as the employee's native language that defines the terms of their employment/compensation.
- 3) Contractors shall not utilize unlicensed recruiting firms, or firms that charge illegal recruiting fees.
- 4) Contractors shall be required to provide adequate living conditions (sanitation, health, safety, living space) for their employees. Fifty square feet (50 sf) is the minimum acceptable square footage of personal living space per employee. Upon contractor's written request, contracting officers may grant a waiver in writing in cases where the existing square footage is within 20% of the minimum, and the overall conditions are determined by the contracting officer to be acceptable. A copy of the waiver approval shall be maintained at the respective life support area.
- 5) Contractors shall incorporate checks of life support areas to ensure compliance with the requirements of this Trafficking in Persons Prohibition into their Quality Control program, which will be reviewed within the Government's Quality Assurance process.
- 6) Contractors shall comply with international laws regarding transit/exit/entry procedures, and the requirements for work visas. Contractors shall follow all Host Country entry and exit requirements.

Contractors have an affirmative duty to advise the Contracting Officer if they learn of their employees violating the human trafficking and inhumane living conditions provisions contained herein. Contractors are advised that contracting officers and/or their representatives will conduct random checks to ensure contractors and subcontractors at all tiers are adhering to the law on human trafficking, humane living conditions and withholding of passports.

The contractor agrees to incorporate the substance of this clause, including this paragraph, in all subcontracts under his contract.

In accordance with military directives (DoDI 3020.41, DoDI 6000.11, CFC FRAGO 09-1038, DoD PGI 225.74), resuscitative care, stabilization, hospitalization at Level III (emergency) military treatment facilities and assistance with patient movement in emergencies where loss of life, limb or eyesight could occur will be provided. Hospitalization will be limited to emergency stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system. Subject to availability at the time of need, a medical treatment facility may provide reimbursable treatment for emergency medical or dental care such as broken bones, lacerations, broken teeth or lost fillings.

Routine and primary medical care is not authorized. Pharmaceutical services are not authorized for routine or known prescription drug needs of the individual. Routine dental care, examinations and cleanings are not authorized.

Notwithstanding any other provision of the contract, the contractor shall be liable for any and all medically-related services or transportation rendered. In accordance with OUSD(C) Memorandum dated January 4, 2007, the following reimbursement rates will be charged for services at all DoD deployed medical facilities. These rates are in effect until changed by DoD direction.

Inpatient daily rate: \$1,918.00. Date of discharge is not billed unless the patient is admitted to the hospital and discharged the same day.

Outpatient visit rate: \$184.00. This includes diagnostic imaging, laboratory/pathology, and pharmacy provided at the medical facility.

INVOICING AND PAYMENT INSTRUCTIONS FOR MULTIPLE ACCOUNTING CLASSIFICATION CITATIONS

Consistent with task order clause 5252.232-9206, Segregation of Costs, the contractor shall segregate and accumulate costs for the performance of this task order by the appropriate Accounting Classification Reference Number (ACRN). The contractor's invoice shall identify the appropriate Contract and Task Order numbers. For the work performed, invoiced costs shall be associated to the Contract Line Item Number (CLIN), the Contract Subline Item (SLIN), and the specific ACRN. Invoices submitted to the paying office that do not comply with this requirement will be returned to the contractor for resubmission. The contractor shall provide an electronic copy of each invoice to the Task Order Manager at the time of submission to DCAA/DFAS. The paying office will disburse funds in strict compliance with the amounts invoiced by CLIN/SLIN/ACRN.

Addendum to the paragraph "INVOICING AND PAYMENT INSTRUCTIONS FOR MULTIPLE CLASSIFICATION CITATIONS"

a. This contract will be funded by multiple accounting classification citations. Payment shall be made from ACRNs in alphabetical order (AA, AB, etc). DO NOT USE A PRORATED METHOD to pay, disburse and liquidate funds. Do not liquidate any funds from an ACRN unless the preceding ACRNs have been fully liquidated, or if revised payment instructions are provided per paragraph b. below:

b. Additional ACRNs will be assigned when new accounting classifications are available. When adding new ACRNs or changing existing ACRNs, the above payment instructions shall apply, unless specific revised payments instructions are provided as part of a contract modification.

SECTION H SPECIAL CONTRACT REQUIREMENTS

5252.232-9206 SEGREGATION OF COSTS (DEC 2003)

(a) The Contractor agrees to segregate costs incurred under this task order at the lowest level of performance, either task or subtask, rather than on a total task order basis, and to submit invoices reflecting costs incurred at that level. Invoices shall contain summaries of work charged during the period covered, as well as overall cumulative summaries by labor category for all work invoiced to date (if applicable), by line item, task or subtask.

(b) Where multiple lines of accounting are present, the ACRN preceding the accounting citation will be found in Section B and/or Section G. Payment of Contractor invoices shall be accomplished only by charging the ACRN that corresponds to the work invoiced.

(c) Except when payment requests are submitted electronically as specified in the clause at DFARS 252.232-7003, Electronic Submission of Payment Requests, one copy of each invoice or voucher will be provided, at the time of submission to DCAA, to the Task Order Manager.

H-350 REIMBURSEMENT OF TRAVEL COSTS (NOV 2005)

(a) Contractor Request and Government Approval of Travel

Any travel under this contract must be specifically requested in writing, by the contractor prior to incurring any travel costs. If this contract is a definite or indefinite delivery contract, then the written Government authorization will be by task/delivery orders issued by the Ordering Officer or by a modification to an issued task/delivery order. If this contract is not a definite or indefinite delivery contract, then the written Government authorization will be by written notice of approval from the Contracting Officer's Representative (COR). The request shall include as a minimum, the following:

- (1) Contract number
- (2) Date, time, and place of proposed travel
- (3) Purpose of travel and how it relates to the contract
- (4) Contractor's estimated cost of travel
- (5) Name(s) of individual(s) traveling and;
- (6) A breakdown of estimated travel and per diem charges.

(b) General

(1) The costs for travel, subsistence, and lodging shall be reimbursed to the contractor only to the extent that it is necessary and authorized for performance of the work under this contract. The costs for travel, subsistence, and lodging shall be reimbursed to the contractor in accordance with the Federal Acquisition Regulation (FAR) 31.205-46, which is incorporated by reference into this contract. As specified in FAR 31.205-46(a) (2), reimbursement for the costs incurred for lodging, meals and incidental expenses (as defined in the travel regulations cited subparagraphs (b) (1)(i) through (b)(1)(iii) below) shall be considered to be reasonable and allowable only to the extent that they do not exceed on a daily basis the maximum per diem rates in effect at the time of travel as set forth in the following:

- (i) Federal Travel Regulation prescribed by the General Services Administration for travel in the contiguous 48 United States;

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. V702	AMENDMENT/MODIFICATION NO. 51	PAGE 65 of 82	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

(ii) Joint Travel Regulation, Volume 2, DoD Civilian Personnel, Appendix A, prescribed by the Department of Defense for travel in Alaska, Hawaii, The Commonwealth of Puerto Rico, and the territories and possessions of the United States; or

(iii) Standardized Regulations, (Government Civilians, Foreign Areas), Section 925, "Maximum Travel Per Diem Allowances in Foreign Areas" prescribed by the Department of State, for travel in areas not covered in the travel regulations cited in subparagraphs (b)(1)(i) and (b)(1)(ii) above.

(2) Personnel in travel status from and to the contractor's place of business and designated work site or vice versa, shall be considered to be performing work under the contract, and contractor shall bill such travel time at the straight (regular) time rate; however, such billing shall not exceed eight hours per person for any one person while in travel status during one calendar day.

(c) Per Diem

(1) The contractor shall not be paid per diem for contractor personnel who reside in the metropolitan area in which the tasks are being performed. Per diem shall not be paid on services performed at contractor's home facility and at any facility required by the contract, or at any location within a radius of 50 miles from the contractor's home facility and any facility required by this contract.

(2) Costs for subsistence and lodging shall be paid to the contractor only to the extent that overnight stay is necessary and authorized in writing by the Government for performance of the work under this contract per paragraph (a). When authorized, per diem shall be paid by the contractor to its employees at a rate not to exceed the rate specified in the travel regulations cited in FAR 31.205-46(a)(2) and authorized in writing by the Government. The authorized per diem rate shall be the same as the prevailing locality per diem rate.

(3) Reimbursement to the contractor for per diem shall be limited to payments to employees not to exceed the authorized per diem and as authorized in writing by the Government per paragraph (a). Fractional parts of a day shall be payable on a prorated basis for purposes of billing for per diem charges attributed to subsistence on days of travel. The departure day from the Permanent Duty Station (PDS) and return day to the PDS shall be 75% of the applicable per diem rate. The contractor shall retain supporting documentation for per diem paid to employees as evidence of actual payments, as required by the FAR 52.216-7 "Allowable Cost and Payment" clause of the contract.

(d) Transportation

(1) The contractor shall be paid on the basis of actual amounts paid to the extent that such transportation is necessary for the performance of work under the contract and is authorized in writing by the Government per paragraph (a).

(2) The contractor agrees, in the performance of necessary travel, to use the lowest cost mode commensurate with the requirements of the mission and in accordance with good traffic management principles. When it is necessary to use air or rail travel, the contractor agrees to use coach, tourist class or similar accommodations to the extent consistent with the successful and economical accomplishment of the mission for which the travel is being performed. Documentation must be provided to substantiate non-availability of coach or tourist if business or first class is proposed to accomplish travel requirements.

(3) When transportation by privately owned conveyance (POC) is authorized, the contractor shall be paid on a mileage basis not to exceed the applicable Government transportation rate specified in the travel regulations cited in FAR 31.205-46(a)(2) and is authorized in writing by the Government per paragraph (a).

(4) When transportation by privately owned (motor) vehicle (POV) is authorized, required travel of contractor personnel, that is not commuting travel, may be paid to the extent that it exceeds the normal commuting mileage of such employee. When an employee's POV is used for travel between an employee's residence or the Permanent Duty Station and one or more alternate work sites within the local area, the employee shall be paid mileage for the distance that exceeds the employee's commuting distance.

(5) When transportation by a rental automobile, other special conveyance or public conveyance is authorized, the contractor shall be paid the rental and/or hiring charge and operating expenses incurred on official business (if not

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. V702	AMENDMENT/MODIFICATION NO. 51	PAGE 66 of 82	FINAL

included in the rental or hiring charge). When the operating expenses are included in the rental or hiring charge, there should be a record of those expenses available to submit with the receipt. Examples of such operating expenses include: hiring charge (bus, streetcar or subway fares), gasoline and oil, parking, and tunnel tolls.

(6) Definitions:

(i) "Permanent Duty Station" (PDS) is the location of the employee's permanent work assignment (i.e., the building or other place where the employee regularly reports for work.

(ii) "Privately Owned Conveyance" (POC) is any transportation mode used for the movement of persons from place to place, other than a Government conveyance or common carrier, including a conveyance loaned for a charge to, or rented at personal expense by, an employee for transportation while on travel when such rental conveyance has not been authorized/approved as a Special Conveyance.

(iii) "Privately Owned (Motor) Vehicle (POV)" is any motor vehicle (including an automobile, light truck, van or pickup truck) owned by, or on a long-term lease (12 or more months) to, an employee or that employee's dependent for the primary purpose of providing personal transportation, that:

(a) is self-propelled and licensed to travel on the public highways;

(b) is designed to carry passengers or goods; and

(c) has four or more wheels or is a motorcycle or moped.

(iv) "Special Conveyance" is commercially rented or hired vehicles other than a POC and other than those owned or under contract to an agency.

(v) "Public Conveyance" is local public transportation (e.g., bus, streetcar, subway, etc) or taxicab.

(iv) "Residence" is the fixed or permanent domicile of a person that can be reasonably justified as a bona fide residence.

EXAMPLE 1: Employee's one way commuting distance to regular place of work is 7 miles. Employee drives from residence to an alternate work site, a distance of 18 miles. Upon completion of work, employee returns to residence, a distance of 18 miles.

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (14 miles). The employee is reimbursed for 22 miles ($18 + 18 - 14 = 22$).

EXAMPLE 2: Employee's one way commuting distance to regular place of work is 15 miles. Employee drives from residence to an alternate work site, a distance of 5 miles. Upon completion of work, employee returns to residence, a distance of 5 miles.

In this case, the employee is not entitled to be reimbursed for the travel performed (10 miles), since the distance traveled is less than the commuting distance (30 miles) to the regular place of work.

EXAMPLE 3: Employee's one way commuting distance to regular place of work is 15 miles. Employee drives to regular place of work. Employee is required to travel to an alternate work site, a distance of 30 miles. Upon completion of work, employee returns to residence, a distance of 15 miles.

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (30 miles). The employee is reimbursed for 30 miles ($15 + 30 + 15 - 30 = 30$).

EXAMPLE 4: Employee's one way commuting distance to regular place of work is 12 miles. In the morning the employee drives to an alternate work site (45 miles). In the afternoon the employee returns to the regular place of work (67 miles). After completion of work, employee returns to residence, a distance of 12 miles.

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. V702	AMENDMENT/MODIFICATION NO. 51	PAGE 67 of 82	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal round trip commuting distance (24 miles). The employee is reimbursed for 100 miles ($45 + 67 + 12 - 24 = 100$).

EXAMPLE 5: Employee's one way commuting distance to regular place of work is 35 miles. Employee drives to the regular place of work (35 miles). Later, the employee drives to alternate work site #1 (50 miles) and then to alternate work site #2 (25 miles). Employee then drives to residence (10 miles).

In this case, the employee is entitled to be reimbursed for the distance that exceeds the normal commuting distance (70 miles). The employee is reimbursed for 50 miles ($35 + 50 + 25 + 10 - 70 = 50$).

EXAMPLE 6: Employee's one way commuting distance to regular place of work is 20 miles. Employee drives to the regular place of work (20 miles). Later, the employee drives to alternate work site #1 (10 miles) and then to alternate work site #2 (5 miles). Employee then drives to residence (2 miles).

In this case, the employee is not entitled to be reimbursed for the travel performed (37 miles), since the distance traveled is less than the commuting distance (40 miles) to the regular place of work.

H-355 CONTRACTOR IDENTIFICATION (DEC 1999)

- (a) Contractor employees must be clearly identifiable while on Government property by wearing appropriate badges.
- (b) Contractor employees are required to clearly identify themselves and the company they work for whenever making contact with Government personnel by telephone or other electronic means.

H-359 LIMITED RELEASE OF CONTRACTOR CONFIDENTIAL BUSINESS INFORMATION (CBI) (NOV 2003)

- (a) Definition.

"Confidential business information," as used in this clause, is defined as all forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs, or codes, whether tangible or intangible, and whether or how stored, compiled, or memorialized physically, electronically, graphically, photographically, or in writing if -- (1) the owner thereof has taken reasonable measures to keep such information secret, and (2) the information derives independent economic value, actual or potential from not being generally known to, and not being readily ascertainable through proper means by, the public. Confidential business information may include technical data as that term is defined in DFARS §§ 252.227-7013(a)(14), 252.227-7015(a)(4), and 252.227-7018(a)(19). It may also include computer software as that term is defined in DFARS §§ 252.227-7014(a)(4) and 252.227-7018(a)(4).

- (b) The Space and Naval Warfare Systems Command (SPAWAR) may release to individuals employed by SPAWAR support contractors and their subcontractors confidential business information submitted by the contractor or its subcontractors pursuant to the provisions of this contract. Business information that would ordinarily be entitled to confidential treatment may be included in the information released to these individuals. Accordingly, by submission of a proposal or execution of this contract, the offeror or contractor and its subcontractors consent to a limited release of its confidential business information.

- (c) Circumstances where SPAWAR may release the contractor's or subcontractors' confidential business information include the following:

- (1) To other SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in handling and processing information and documents in the administration of SPAWAR contracts, such as file room management and contract closeout.
- (2) To SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in accounting support services, including access to cost-reimbursement vouchers.
- (3) To SPAWAR contractors and subcontractors, and their employees tasked with assisting SPAWAR in crafting

performance work statements, assisting with the evaluation of task order cost/technical proposals and assembling performance metrics information.

(d) SPAWAR recognizes its obligation to protect the contractor and its subcontractors from competitive harm that could result from the release of such information. SPAWAR will permit the limited release of confidential business information under paragraphs (c)(1), (c)(2) and (c)(3) only under the following conditions:

(1) SPAWAR determines that access is required by other SPAWAR contractors and their subcontractors to perform the tasks described in paragraphs (c)(1), (c)(2) and (c)(3),

(2) Access to confidential business information is restricted to individuals with a bona fide need to possess,

(3) Contractors, their subcontractors, and their employees who are granted access to confidential business information have signed an appropriate non-disclosure agreement requiring them to provide the same level of protection to confidential business information that would be provided by SPAWAR employees,

(4) Contractors and their subcontractors having access to confidential business information have agreed under their contract or a separate corporate non-disclosure agreement to provide the same level of protection to confidential business information that would be provided by SPAWAR employees, and

(5) SPAWAR contractors and their subcontractors performing the tasks described in paragraphs (c)(1), (c)(2) or (c)(3) have agreed under their contract or a separate non-disclosure agreement to not use confidential business information for any purpose other than performing the tasks described in paragraphs (c)(1), (c)(2) and (c)(3).

(e) SPAWAR's responsibilities under the Freedom of Information Act are not affected by this clause.

(f) If SPAWAR satisfies the conditions listed in paragraph (d), the contractor and its subcontractors agree to indemnify and hold harmless the Government, its agents, and employees from every claim or liability, including attorneys fees, court costs, and expenses, arising out of, or in any way related to, the misuse or unauthorized modification, reproduction, release, display, or disclosure of confidential business information provided by the contractor to the Government.

(g) The contractor agrees to include, and require inclusion of, this clause in all subcontracts at any tier that requires the furnishing of confidential business information.

ORGANIZATIONAL CONFLICT OF INTEREST (NAVSEA) (JUL 2000) (RESTATED FROM BASIC CONTRACT)

(a) "Organizational Conflict of Interest" means that because of other activities or relationships with other persons, a person is unable or potentially unable to render impartial assistance or advice to the Government, or the person's objectivity in performing the contract work is or might be otherwise impaired, or a person has an unfair competitive advantage. "Person" as used herein includes Corporations, Partnerships, Joint Ventures, and other business enterprises.

(b) The Contractor warrants that to the best of its knowledge and belief, and except as otherwise set forth in the contract, the Contractor does not have any organizational conflict of interest(s) as defined in paragraph (a).

(c) It is recognized that the effort to be performed by the Contractor under this contract may create a potential organizational conflict of interest on the instant contract or on a future acquisition. In order to avoid this potential conflict of interest, and at the same time to avoid prejudicing the best interest of the Government, the right of the Contractor to participate in future procurement of equipment and/or services that are the subject of any work under this contract shall be limited as described below in accordance with the requirements of FAR 9.5.

(d) (1) The Contractor agrees that it shall not release, disclose, or use in any way that would permit or result in disclosure to any party outside the Government any information provided to the Contractor by the Government during or as a result of performance of this contract. Such information includes, but is not limited to, information submitted to the Government on a confidential basis by other persons. Further, the prohibition against release of Government provided information extends to cover such information whether or not in its original form, e.g., where the information has been included in Contractor generated work or where it is discernible from materials incorporating

CONTRACT NO. N00178-05-D-4395	DELIVERY ORDER NO. V702	AMENDMENT/MODIFICATION NO. 51	PAGE 69 of 82	FINAL
----------------------------------	----------------------------	----------------------------------	------------------	-------

or based upon such information. This prohibition shall not expire after a given period of time.

(2) The Contractor agrees that it shall not release, disclose, or use in any way that would permit or result in disclosure to any party outside the Government any information generated or derived during or as a result of performance of this contract. This prohibition shall expire after a period of three years after completion of performance of this contract.

(3) The prohibitions contained in subparagraphs (d)(1) and (d)(2) shall apply with equal force to any affiliate of the Contractor, any subcontractor, consultant, or employee of the Contractor, any joint venture involving the Contractor, any entity into or with which it may merge or affiliate, or any successor or assign of the Contractor. The terms of paragraph (f) of this Special Contract Requirement relating to notification shall apply to any release of information in contravention of this paragraph (d).

(e) The Contractor further agrees that, during the performance of this contract and for a period of three years after completion of performance of this contract, the Contractor, any affiliate of the Contractor, any subcontractor, consultant, or employee of the Contractor, any joint venture involving the Contractor, any entity into or with which it may subsequently merge or affiliate, or any other successor or assign of the Contractor, shall not furnish to the United States Government, either as a prime contractor or as a subcontractor, or as a consultant to a prime contractor or subcontractor, any system, component or services which is the subject of the work to be performed under this contract. This exclusion does not apply to any recompetition for those systems, components or services furnished pursuant to this contract. As provided in FAR 9.505-2, if the Government procures the system, component, or services on the basis of work statements growing out of the effort performed under this contract, from a source other than the contractor, subcontractor, affiliate, or assign of either, during the course of performance of this contract or before the three year period following completion of this contract has lapsed, the Contractor may, with the authorization of the SeaPort/Task Order Contracting Officer, participate in a subsequent procurement for the same system, component, or service. In other words, the Contractor may be authorized to compete for procurement(s) for systems, components or services subsequent to an intervening procurement.

(f) The Contractor agrees that, if after award, it discovers an actual or potential organizational conflict of interest, it shall make immediate and full disclosure in writing to the SeaPort/Task Order Contracting Officer. The notification shall include a description of the actual or potential organizational conflict of interest, a description of the action which the Contractor has taken or proposes to take to avoid, mitigate, or neutralize the conflict, and any other relevant information that would assist the SeaPort/Task Order Contracting Officer in making a determination on this matter. Notwithstanding this notification, the Government may terminate the contract/Task Orders for the convenience of the Government if determined to be in the best interest of the Government.

(g) Notwithstanding paragraph (f) above, if the Contractor was aware, or should have been aware, of an organizational conflict of interest prior to the award of this contract or becomes, or should become, aware of an organizational conflict of interest after award of this contract and does not make an immediate and full disclosure in writing to the SeaPort/Task Order Contracting Officer, the Government may terminate this contract/task orders for default.

(h) If the Contractor takes any action prohibited by this requirement or fails to take action required by this requirement, the Government may terminate this contract for default.

(i) The SeaPort/Task Order's Contracting Officer's decision as to the existence or nonexistence of an actual or potential organizational conflict of interest shall be final.

(j) Nothing in this requirement is intended to prohibit or preclude the Contractor from marketing or selling to the United States Government its product lines in existence on the effective date of this contract; nor, shall this requirement preclude the Contractor from participating in any research and development or delivering any design development model or prototype of any such equipment. Additionally, sale of catalog or standard commercial items are exempt from this requirement.

(k) The Contractor shall promptly notify the Contracting Officer, in writing, if it has been tasked to evaluate or advise the Government concerning its own products or activities or those of a competitor in order to ensure proper safeguards exist to guarantee objectivity and to protect the Government's interest.

(l) The Contractor shall include this requirement in subcontracts of any tier which involve access to information or situations/conditions covered by the preceding paragraphs, substituting "subcontractor" for "contractor" where

appropriate.

(m) The rights and remedies described herein shall not be exclusive and are in addition to other rights and remedies provided by law or elsewhere included in the basic contract or this task order.

(n) Compliance with this requirement is a material requirement of the basic contract and this task order.

TECHNICAL INSTRUCTIONS

(a) Performance of work hereunder may be subject to written technical instructions signed by the Task Order Manager (TOM) specified in Section G of this task order. As used herein, technical instructions are defined to include the following:

(1) Directions to the Contractor which suggest pursuit of certain lines of inquiry, shift work emphasis, fill in details and otherwise serve to accomplish the contractual statement of work.

(2) Guidelines to the Contractor which assist in the interpretation of drawings, specifications or technical portions of work descriptions.

(b) Technical instructions must be within the general scope of work stated in the task order. Technical instruction may not be used to: (1) assign additional work under the task order; (2) direct a change as defined in the "CHANGES" clause in this task order; (3) increase or decrease the task order price or estimated task order amount (including fee), as applicable, the level of effort, or the time required for contract performance; or (4) change any of the terms, conditions or specifications of the task order.

(c) If, in the opinion of the Contractor, any technical instruction calls for effort outside the scope of the task order or is inconsistent with this requirement, the Contractor shall notify the Contracting Officer in writing within ten (10) working days after the receipt of any such instruction. The Contractor shall not proceed with the work affected by the technical instruction unless and until the Contractor is notified by the Contracting Officer that the technical instruction is within the scope of the task order.

H-900 AI 25.3 Compliance with Laws and Regulations (5 Nov 2007)

The Contractor shall comply with, and shall ensure that its personnel and its subcontractors and subcontractor personnel at all tiers obey all existing and future U.S. and Host Nation laws, Federal or DoD regulations, and Central Command orders and directives applicable to personnel in Iraq and Afghanistan, including but not limited to USCENTCOM, Multi-National Force and Multi-National Corps fragmentary orders, instructions and directives.

Contractor employees performing in the USCENTCOM Area of Operations are under the jurisdiction of the Uniform Code of Military Justice (UCMJ). Under the UCMJ, U.S. commanders may discipline contractor employees for criminal offenses. Contractors shall advise the Contracting Officer if they suspect an employee has committed an offense. Contractors shall not permit an employee suspected of a serious offense or violating the Rules for the Use of Force to depart Iraq or Afghanistan without approval from the senior U.S. commander in the country.

SECTION I CONTRACT CLAUSES

52.217-9 OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

(a) The Government may extend the term of this task order by written notice to the Contractor on or before the expiration of the task order; provided, that the Government gives the Contractor a preliminary written notice of its intent to extend at least 60 days before the task order expires. The preliminary notice does not commit the Government to an extension.

(b) If the Government exercises this option, the extended task order shall be considered to include this option clause.

(c) The total duration of this task order, including the exercise of any options under this clause, shall not exceed five years.

52.228-3 WORKERS' COMPENSATION INSURANCE (DEFENSE BASE ACT) (APR 1984)

The Contractor shall (a) provide, before commencing performance under this contract, such workers' compensation insurance or security as the Defense Base Act (42 U.S.C. 1651, et seq.) requires and (b) continue to maintain it until performance is completed. The Contractor shall insert, in all subcontracts under this contract to which the Defense Base Act applies, a clause similar to this clause (including this sentence) imposing upon those subcontractors this requirement to comply with the Defense Base Act.

252.225-7043 Antiterrorism/Force Protection for Defense Contractors Outside the United States (MAR 2006)

(a) Definition. "United States," as used in this clause, means, the 50 States, the District of Columbia, and outlying areas.

(b) Except as provided in paragraph (c) of this clause, the Contractor and its subcontractors, if performing or traveling outside the United States under this contract, shall:

- (1) Affiliate with the Overseas Security Advisory Council, if the Contractor or subcontractor is a U.S. entity;
- (2) Ensure that Contractor and subcontractor personnel who are U.S. nationals and are in-country on a non-transitory basis, register with the U.S. Embassy, and that Contractor and subcontractor personnel who are third country nationals comply with any security related requirements of the Embassy of their nationality;
- (3) Provide, to Contractor and subcontractor personnel, antiterrorism/force protection awareness information commensurate with that which the Department of Defense (DoD) provides to its military and civilian personnel and their families, to the extent such information can be made available prior to travel outside the United States; and
- (4) Obtain and comply with the most current antiterrorism/force protection guidance for Contractor and subcontractor personnel.

(c) The requirements of this clause do not apply to any subcontractor that is a foreign government;

- (1) A foreign government;
- (2) A representative of a foreign government; or
- (3) A foreign corporation wholly owned by a foreign government.

(d) Information and guidance pertaining to DoD antiterrorism/force protection can be obtained from PGI 225.7403-1.

Clause 252.225-7040 (including paragraph (g) requirements in accordance with DoD Class Deviation 2007-O0004, Synchronized Predeployment and Operational Tracker, dated March 19, 2007) is hereby incorporated in full text and replaces the clause of the same number previously incorporated by reference:

**252.225-7040 CONTRACTOR PERSONNEL AUTHORIZED TO ACCOMPANY U.S. ARMED FORCES
DEPLOYED OUTSIDE THE UNITED STATES (JUN 2006)**

(a) Definitions. As used in this clause--

“Combatant Commander,” means the commander of a unified or specified combatant command established in accordance with 10 U.S.C. 161.

“Other military operations,” means a range of military force responses that can be projected to accomplish assigned tasks. Such operations may include one or a combination of the following: Civic action, humanitarian assistance, civil affairs, and other military activities to develop positive relationships with other countries; confidence building and other measures to reduce military tensions; military presence; activities to convey messages to adversaries; military deceptions and psychological operations; quarantines, blockades, and harassment operations; raids; intervention operations; armed conflict involving air, land, maritime, and strategic warfare operations; support for law enforcement authorities to counter international criminal activities (terrorism, narcotics trafficking, slavery, and piracy); support for law enforcement authorities to suppress domestic rebellion; and support for insurgency, counterinsurgency, and civil war in foreign countries.

“Theater of operations,” means an area defined by the combatant commander for the conduct or support of specified operations.

(b) General.

(1) This clause applies when Contractor personnel are authorized to accompany U.S. Armed Forces deployed outside the United States in--

(i) Contingency operations;

(ii) Humanitarian or peacekeeping operations;

(iii) Other military operations; or

----------------------------------	----------------------------	----------------------------------	------------------	-------

(iv) Military exercises designated by the Combatant Commander.

(2) Contract performance in support of U.S. Armed Forces deployed outside the United States may require work in dangerous or austere conditions. The Contractor accepts the risks associated with required contract performance in such operations.

(3) Contractor personnel are civilians accompanying the U.S. Armed Forces.

(i) Except as provided in paragraph (b)(3)(ii) of this clause, Contractor personnel are not authorized to use deadly force against enemy armed forces other than in self-defense.

(ii) Private security Contractor personnel are authorized to use deadly force only when necessary to execute their security mission to protect assets/persons, consistent with the mission statement contained in their contract.

(iii) Civilians who accompany the U.S. Armed Forces lose their law of war protection from direct attack if and for such time as they take a direct part in hostilities.

(4) Service performed by Contractor personnel subject to this clause is not active duty or service under 38 U.S.C. 106 note.

(c) Support.

(1)(i) The Combatant Commander will develop a security plan for protection of Contractor personnel in locations where there is not sufficient or legitimate civil authority, when the Combatant Commander decides it is in the interests of the Government to provide security because--

(A) The Contractor cannot obtain effective security services;

(B) Effective security services are unavailable at a reasonable cost; or

----------------------------------	----------------------------	----------------------------------	------------------	-------

(C) Threat conditions necessitate security through military means.

(ii) The Contracting Officer shall include in the contract the level of protection to be provided to Contractor personnel.

(iii) In appropriate cases, the Combatant Commander may provide security through military means, commensurate with the level of security provided DoD civilians - (see Paragraph 8.3.3 of the Statement of Work for amplifying information regarding force protection measures).

(2)(i) Generally, all Contractor personnel authorized to accompany the U.S. Armed Forces in the theater of operations may be provided resuscitative care, stabilization, hospitalization at level III military treatment facilities, and assistance with patient movement in emergencies where loss of life, limb, or eyesight could occur. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides medical treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

(iii) Medical or dental care beyond this standard is not authorized unless specified elsewhere in this contract.

(3) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the theater of operations under this contract (see paragraph 8.4.1.2 of the Statement of Work for amplifying information regarding Hostile Area Housing).

(4) Contractor personnel must have a letter of authorization issued by the Contracting Officer in order to process through a deployment center or to travel to, from, or within the theater of operations. The letter of authorization also will identify any additional authorizations, privileges, or Government support that Contractor personnel are entitled to under this contract (see paragraph 8.3.6 of the Statement of Work for amplifying information regarding Letters of Authorization).

(d) Compliance with laws and regulations. The Contractor shall comply with, and shall ensure that its personnel authorized to accompany U.S. Armed Forces deployed outside the United States as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable--

(1) United States, host country, and third country national laws;

(2) Treaties and international agreements;

(3) United States regulations, directives, instructions, policies, and procedures; and

(4) Orders, directives, and instructions issued by the Combatant Commander, including those relating to force protection, security, health, safety, or relations and interaction with local nationals.

(e) Pre-deployment requirements. (1) The Contractor shall ensure that the following requirements are met prior to deploying personnel in support of U.S. Armed Forces. Specific requirements for each category may be specified in the statement of work or elsewhere in the contract.

(i) All required security and background checks are complete and acceptable.

(ii) All deploying personnel meet the minimum medical screening requirements and have received all required immunizations as specified in the contract. The Government will provide, at no cost to the Contractor, any theater-specific immunizations and/or medications not available to the general public.

(iii) Deploying personnel have all necessary passports, visas, and other documents required to enter and exit a theater of operations and have a Geneva Conventions identification card, or other appropriate DoD identity credential, from the deployment center. Any Common Access Card issued to deploying personnel shall contain the access permissions allowed by the letter of authorization issued in accordance with paragraph (c)(4) of this clause.

(iv) Special area, country, and theater clearance is obtained for personnel. Clearance requirements are in DoD Directive 4500.54, Official Temporary Duty Abroad, and DoD 4500.54-G, DoD Foreign Clearance Guide. Contractor personnel are considered non-DoD personnel traveling under DoD sponsorship.

(v) All personnel have received personal security training. At a minimum, the training shall--

(A) Cover safety and security issues facing employees overseas;

(B) Identify safety and security contingency planning activities; and

(C) Identify ways to utilize safety and security personnel and other resources appropriately.

----------------------------------	----------------------------	----------------------------------	------------------	-------

(vi) All personnel have received isolated personnel training, if specified in the contract.

(2) The Contractor shall notify all personnel who are not a host country national, or who are not ordinarily resident in the host country, that--

(i) Such employees, and dependents residing with such employees, who engage in conduct outside the United States that would constitute an offense punishable by imprisonment for more than one year if the conduct had been engaged in within the special maritime and territorial jurisdiction of the United States, may potentially be subject to the criminal jurisdiction of the United States in accordance with the Military Extraterritorial Jurisdiction Act of 2000 (18 U.S.C. 3621, et seq.);

(ii) Pursuant to the War Crimes Act (18 U.S.C. 2441), Federal criminal jurisdiction also extends to conduct that is determined to constitute a violation of the law of war when committed by a civilian national of the United States;

(iii) Other laws may provide for prosecution of U.S. nationals who commit offenses on the premises of U.S. diplomatic, consular, military or other U.S. Government missions outside the United States (18 U.S.C. 7(9)); and

(iv) When there is a formal declaration of war by Congress, Contractor personnel authorized to accompany U.S. Armed Forces may be subject to prosecution under the Uniform Code of Military Justice.

(f) Processing and departure points. Deployed Contractor personnel shall--

(1) Process through the deployment center designated in the contract, or as otherwise directed by the Contracting Officer, prior to deploying. The deployment center will conduct deployment processing to ensure visibility and accountability of Contractor personnel and to ensure that all deployment requirements are met, including the requirements specified in paragraph (e)(1) of this clause;

(2) Use the point of departure and transportation mode directed by the Contracting Officer; and

(3) Process through a Joint Reception Center (JRC) upon arrival at the deployed location. The JRC will validate personnel accountability, ensure that specific theater of operations entrance requirements are met, and brief Contractor personnel on theater-specific policies and procedures. All necessary information for employee deployment processing may be obtained from the following websites:

(g) Personnel data list.

(1) In accordance with DoD Instruction 3020.41, Contractor Personnel Authorized to Accompany the U.S. Armed Forces, the contractor shall **enter before deployment, or if already in the designated operational area, enter upon becoming an employee under the contract**, and maintain current data, including departures data, for all Contractor personnel **that are authorized** to accompany U.S. Armed Forces **deployed outside the United States** as specified in paragraph (b)(1) of this clause. The automated web-based system to use for this effort **is the Synchronized Redeployment and Operational Tracker (SPOT) (for information on how to register and enter data into this system, go to <http://www.dod.mil/bta/products/spot.html>)**.

(2) The Contractor shall ensure that all employees **in the database** have a current DD Form 93, Record of Emergency Data Card, on file with both the Contractor and the designated Government official. **The Contracting Officer will inform the Contractor of the Government official designated to receive this data card.**

(h) Contractor personnel.

(1) The Contracting Officer may direct the Contractor, at its own expense, to remove and replace any Contractor personnel who jeopardize or interfere with mission accomplishment or who fail to comply with or violate applicable requirements of this clause. Such action may be taken at the Government's discretion without prejudice to its rights under any other provision of this contract, including the Termination for Default clause.

(2) The Contractor shall have a plan on file showing how the Contractor would replace employees who are unavailable for deployment or who need to be replaced during deployment. The Contractor shall keep this plan current and shall provide a copy to the Contracting Officer upon request. The plan shall--

(i) Identify all personnel who are subject to military mobilization;

(ii) Detail how the position would be filled if the individual were mobilized; and

----------------------------------	----------------------------	----------------------------------	------------------	-------

(iii) Identify all personnel who occupy a position that the Contracting Officer has designated as mission essential.

(i) Military clothing and protective equipment.

(1) Contractor personnel are prohibited from wearing military clothing unless specifically authorized in writing by the Combatant Commander. If authorized to wear military clothing, Contractor personnel must--

(i) Wear distinctive patches, arm bands, nametags, or headgear, in order to be distinguishable from military personnel, consistent with force protection measures; and

(ii) Carry the written authorization with them at all times.

(2) Contractor personnel may wear military-unique organizational clothing and individual equipment (OCIE) required for safety and security, such as ballistic, nuclear, biological, or chemical protective equipment.

(3) The deployment center, or the Combatant Commander, shall issue OCIE and shall provide training, if necessary, to ensure the safety and security of Contractor personnel.

(4) The Contractor shall ensure that all issued OCIE is returned to the point of issue, unless otherwise directed by the Contracting Officer.

(j) Weapons (see paragraph 8.8 of the Statement of Work for amplifying information regarding weapons).

(1) If the Contractor requests that its personnel performing in the theater of operations be authorized to carry weapons, the request shall be made through the Contracting Officer to the Combatant Commander, in accordance with DoD Instruction 3020.41, paragraph 6.3.4.1 or, if the contract is for security services, paragraph 6.3.5.3. The Combatant Commander will determine whether to authorize in-theater Contractor personnel to carry weapons and what weapons and ammunition will be allowed.

(2) If the Contracting Officer, subject to the approval of the Combatant Commander, authorizes the carrying of weapons--

(i) The Contracting Officer may authorize the Contractor to issue Contractor-owned weapons and ammunition to specified employees; or

(ii) The (Contracting Officer to specify the appropriate individual, e.g., Contracting Officer's Representative, Regional Security Officer) may issue Government-furnished weapons and ammunition to the Contractor for issuance to specified Contractor employees.

(3) The Contractor shall ensure that its personnel who are authorized to carry weapons--

(i) Are adequately trained to carry and use them--

(A) Safely;

(B) With full understanding of, and adherence to, the rules of the use of force issued by the Combatant Commander; and

(C) In compliance with applicable agency policies, agreements, rules, regulations, and other applicable law;

(ii) Are not barred from possession of a firearm by 18 U.S.C. 922; and

(iii) Adhere to all guidance and orders issued by the Combatant Commander regarding possession, use, safety, and accountability of weapons and ammunition.

(4) Whether or not weapons are Government-furnished, all liability for the use of any weapon by Contractor personnel rests solely with the Contractor and the Contractor employee using such weapon.

(5) Upon redeployment or revocation by the Combatant Commander of the Contractor's authorization to issue firearms, the Contractor shall ensure that all Government-issued weapons and unexpended ammunition are returned as directed by the Contracting Officer.

(k) Vehicle or equipment licenses. Contractor personnel shall possess the required licenses to operate all vehicles or equipment necessary to perform the contract in the theater of operations.

(l) Purchase of scarce goods and services. If the Combatant Commander has established an organization for the theater of operations whose function is to determine that certain items are scarce goods or services, the Contractor shall coordinate with that organization local purchases of goods and services designated as scarce, in accordance with instructions provided by the Contracting Officer.

(m) Evacuation.

(1) If the Combatant Commander orders a mandatory evacuation of some or all personnel, the Government will provide assistance, to the extent available, to United States and third country national Contractor personnel.

(2) In the event of a non-mandatory evacuation order, unless authorized in writing by the Contracting Officer, the Contractor shall maintain personnel on location sufficient to meet obligations under this contract.

(n) Next of kin notification and personnel recovery.

(1) The Contractor shall be responsible for notification of the employee-designated next of kin in the event an employee dies, requires evacuation due to an injury, or is isolated, missing, detained, captured, or abducted.

(2) In the case of isolated, missing, detained, captured, or abducted Contractor personnel, the Government will assist in personnel recovery actions in accordance with DoD Directive 2310.2, Personnel Recovery.

(o) Mortuary affairs. Mortuary affairs for Contractor personnel who die while accompanying the U.S. Armed Forces will be handled in accordance with DoD Directive 1300.22, Mortuary Affairs Policy.

(p) Changes. In addition to the changes otherwise authorized by the Changes clause of this contract, the Contracting Officer may, at any time, by written order identified as a change order, make changes in the place of performance or Government-furnished facilities, equipment, material, services, or site. Any change order issued in accordance with this paragraph (p) shall be subject to the provisions of the Changes clause of this contract.

(q) Subcontracts. The Contractor shall incorporate the substance of this clause, including this paragraph (q), in all subcontracts when subcontractor personnel are authorized to accompany U.S. Armed Forces deployed outside the United States in--
